From Nimrod to George Soros: An Evil Global Scheme

By Jan Markell

I have always been fascinated by the globalist agenda. Some consider it silly conspiracy talk but it really is not. The ultimate plan of the one-worlders such as David Rockefeller, George Soros, the Clinton's, and more, is outlined in Revelation 13. This is one conspiracy theory that can't be ignored. There is coming a one-world ruler who will institute global government. He is called the Antichrist.

In my DVD "Hidden in Plain View: The New World Order in Bible Prophecy," I trace their history from Nimrod to present day.

It's an unbelievable scheme inspired by Satan. It's an attempt to install the Antichrist throughout history using every imaginable organization.

They include the *Bilderbergers*, the *Council on Foreign Relations*, the *Club of Rome*, the *Trilateral Commission*, the *League of Nations*, the *United Nations*, and so many more! Some behind-the-scenes of

these organizations don't look at their efforts as sinister or evil; rather, they think their efforts will create *perfection on the planet!* Their idea of one-worldism will allow for equal pay, jobs for everyone, climate control, and peace on earth! But some aren't so benign, such as George Soros, who represents the ultimate in a sinister, devil-inspired agenda.

The useful idiots of the globalists are the "climate-change" promoters, the global warming gurus who use fake science to try to prove something exists that

does not. Their mantra is that pollution knows no borders, thus we must not have any borders. A single global empire is needed as outlined in the Bible. This will truly save the earth, or so they think!

The biggest monkey wrench in the globalist plan is President Donald Trump. As I write about him briefly,

it is not to glorify this man. He is flawed like all of us are. But to his credit, he is a strong nationalist—an *America-first* guy. He could care less about the global agenda. As he once stated, *he needs to look out for Pittsburgh and not Paris*. Trump pulled out of the *Paris Climate Accord* one year ago and Americans should rejoice.

I would like to quote from author and commentator Terry James and his recent article on the globalist system. Terry is editor of the *Rapture Ready* website and editor of the popular new book, “Deceivers: Exposing Evil Seducers & Their Last Days Deception.” James says: *The beast-system will be more evil and world-rending than any that went before or would come after. Jesus said that this kingdom will produce the worst conditions for Israel and for all of humanity than has ever been in world history (Matthew 24:1).*

This is the kingdom we have been watching develop, particularly over the last decade. It was on a very fast track to reach the moment Daniel prophesied when it will dominate most all people on planet earth.

The election of this president slowed that progression significantly. It was God’s intervention, not ours, that did the slowing. The results have been demonic enragement

on a global scale the likes of which have never been experienced. The spiritual warfare described by Paul in Ephesians 6 starkly manifested for all who have spiritually-attuned eyes to see and ears to hear.

There is a growing anxiety among Christian observers that it is but a matter of time before the temporary roadblock God put in the way of the globalists’ progress will be removed. This is also something prophetically scheduled to happen. The platform for launching the most terrible regime of all history is still being constructed. Antichrist is waiting in the shadows for his time to step into the global spotlight.

The roadblock the Lord has so obviously placed in the path of the globalists building Antichrist’s power base will not be removed until God says so!

In the meantime, we are to pray and witness while there is time to do so. These are the primary reasons we are here on this planet. We are to lift the name of Christ so the world will be drawn by the Holy Spirit to His saving grace.

If we concentrate on doing our job, our worries about the politics of today, and what might happen, will fade. After all, we are not appointed to God’s wrath (Revelation 3:10),

which is the future time ruled by Antichrist. We are to look for Jesus, our “blessed hope” (Titus 2:13).

When the time of the Gentiles is complete, God’s next phase for fulfillment of His prophetic plan will be put into effect. The last person to accept Christ during this dispensation, the Church Age (Age of Grace) will be received into God’s family. Jesus will call all living believers into His presence, along with all believers of the Church Age.

The cares of the judgment-bound world will be left behind.

While we see the globalist monstrosity—the so-called New World Order—continuing to rage toward fulfillment as the power base

of the Beast of Revelation 13, let us remember for Whom we are watching (Luke 21:28).

A one-world system will happen but the church will be gone and never know the agony of following a leader who will be a global emperor, the likes of which the world has not known. Neither Stalin nor Hitler nor Putin nor any other can compare to him. He will be cunning beyond words. He will be a handsome orator. He will make sense of the senseless, *but only for seven short years*. Then his ignominious reign will collapse as Jesus returns in His Second Coming to spare the earth any more carnage, otherwise no flesh would survive (Matthew 24:22).

Maranatha! Come, Lord Jesus.

The Last Hour

By Jan Markell

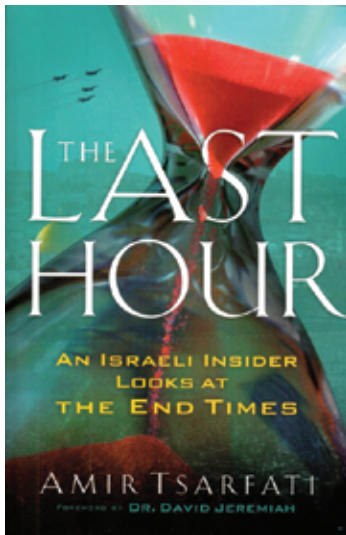

I have worked with Amir Tsarfati since 2015 and I have to say, I have not been so enthused about a presentation of eschatology since Hal Lindsey's "Late-Great Planet Earth" impacted me in the mid-1970s. Amir is an Israeli who was saved through the "Jesus" film some years ago. As a young man, Bible prophecy impacted him with help from the Calvary Chapel movement and Chuck Smith. Pastor Jack Hibbs also plays an important role in Amir's life.

Amir comes from the epicenter of Bible prophecy—Israel. He attracts large crowds on several continents, leaving a family of a wife and four children in Israel so that he can encourage remnant believers to look up. He has shared at my conference activity in 2015, 2016, 2017, and again this year.

When I learned he was writing a book on eschatology, I was beyond pleased. Amir has the ability to open the eyes of a much younger generation than some can do similar to Joel Rosenberg. Thus, I perused the manuscript of "The Last Hour: An Israeli Insider Looks at the End Times" many months ago and gave

it my testimonial, along with Anne Graham Lotz, Pastor Jack Hibbs, and several others.

Amir writes: *The one part of Scripture that Christians tend to avoid is prophecy. There are those who are scared of it; prophecy seems a little creepy with just the right amount of evil, Satan and Antichrist mixed in to make it a subject that seems better suited to fans of Stephen King than the Word of God. There are others who think it is all a little too weird. Locusts and dragons and angels—oh my!*

There are others who think that prophecy is either intentionally or unintentionally too vague to make heads or tails of. How could anyone interpret the more "out there" portions of biblical prophecy with any sort of certainty? Is it not better to focus on the more "applicable" portions of Scripture?

Amir concludes on this page: *While there may be many reasons to avoid studying prophecy, one overwhelming reason should cause us to give it its due: God wants us to know His plans for the future. Unless we are ready to write off*

The Last Hour

By Jan Markell Continued from page 6

as filler more than a quarter of the Bible, we have the obligation and joy to discover what God has laid out for the end times.

Chapter titles include:

- Looking Back Before Looking Forward
- God Wants You to Know His Plans
- Understanding Prophecy: Two-by-Two
- The Long, Winding Road of Prophecy
- Israel: Still God's Chosen People
- The Deception of the Nations
- Rapture: The Great Mystery
- Rapture: The Great Gathering
- The Antichrist: The Man of Lawlessness
- The Antichrist: Rolling Out the Red Carpet
- Days of Ezekiel 36-37: What Was and What Is

- Days of Ezekiel 38-39: What Is and What Will Be
- What is Next?

We cannot understand the times without understanding the plans for the end of the Church Age. That climax is upon us. Things are all falling into place. We are in unusual times and as I often say, we're not in Kansas anymore. That will become evident as you read Amir Tsarfati's new book.

We realize most of you do not have a prophecy preaching church. While a great deal of information is available today online, it is nice to have this topic summed up well in one self-contained book.

Order from the enclosed order blank, through our online bookstore, or by calling us M – F CDT at 763-559-4444. Amir will also have them available at our September 29 conference near Minneapolis.

I Never Thought I Would See the Day

By Jan Markell

A year ago I wrote a column by this title that was made into a video by *Prophecy Update*. That YouTube video has been viewed by 200,000 people and that inspired me to write an updated version of things I never thought I would live to see.

Sure, we live in crazy times. A lot of things the Bible predicted are now happening at break-neck speed but it still leaves me speechless. I also think things are progressing more rapidly as there is a “convergence” of events that we didn’t have thirty years ago, and perhaps not even fifteen years ago.

Here is my latest version of, “I Never Thought I Would See the Day.”

- Churches would not just recognize the Islamic holiday known as Ramadan, they would join in on the “celebration” while hundreds of innocents were being killed at the very same time.
- Women’s sporting activities would be marginalized and even curtailed because transgenders can now participate as women even though they are males.

- The WWII anti-Nazi term “the resistance” would be applied to those opposed to a U.S. President -- Donald Trump.
- Lucifer would get his own TV show, first on the Fox Network and now on Netflix. In fact, he is glorified as a good guy -- handsome, charming, and funny. Someday Christ-rejecters won’t be laughing, they will be weeping.
- Netflix will also have an animated drag queen series for children. *(But whoever causes one of these little ones who believe in me to sin, it would be better to have a great millstone fastened around his neck and to be drowned in the depth of the sea: Matthew 18:6).*
- Churches would talk about social justice, caring for the poor, and feeding the homeless, but not once mention the millions of persecuted, fleeing Christians around the world.
- Socialism would be celebrated in America and Socialist candidates paraded out as outstanding leaders who could set America in a new direction (as in transforming it). I wish they would visit Venezuela where they are eating pets and zoo animals to survive. Over 40,000 a day flee to Colombia.

continued on page 9

I Never Thought I Would See the Day

By Jan Markell *Continued from page 8*

- Public libraries would have “drag story hours” with cross-dressers—for little children. Talk about the return of the days of Noah.
- The *Department of Homeland Security* would announce that they intend to compile a comprehensive list of hundreds of thousands of journalists, editors, bloggers, and folks like me. They will collect any “information that could be relevant about them.” I didn’t think I was dangerous!
- The big tech companies would shut down or marginalize good conservatives and Christians but Facebook would allow Louis Farrakhan’s out-of-control anti-Semitism.
- As Chicago celebrated its first “Barack Obama Day” in early August, seventy people were shot in that gun-controlled city. It is safer in Afghanistan and Syria.
- The residents of Gaza would take Japan’s gift of kites for the children of Gaza and use them as incendiary devices to burn down southern Israel. (And Israel is to make peace with such barbarians?)
- Christianity would literally be expelled from public schools but Islam would be taught and praised.
- The Left has gone apoplectic about the separation of kids from parents at the border but *defend and even celebrate the permanent separation: Abortion.*
- Google declared Angela Merkel as “leader of the free world.” Haven’t they noticed that Germany is a shell of what it used to be? No one is safe there with gangs of Muslims causing chaos. Did Merkel denuke Iran as did President Trump?
- The ELCA would assemble the most vile list of speakers for their summer youth gathering. The speakers engaged in foul-mouthed cursing, anti-biblical social beliefs, not to mention horrific theology.

I have left so much off of this “I never thought I’d see the day” list that it grieves me. You have a saturation point. I don’t want to push you that far. But I suspect even George Orwell would be shocked at the tide of our times!

The Bible says there would be a day when good would be called evil and evil good (Isaiah 5:20). We are there. *God is using the negative as a megaphone to say that “I am coming soon!”*

Worth Quoting

Bill Koenig, White House Correspondent, Koenig's International News

A majority of the U.S. media have what is called Trump Derangement Syndrome. They attempted to destroy Donald Trump's presidential campaign numerous times during the 2016 race. Many times, they said he was finished. Today, they are constantly looking for ways to destroy his presidency. Every time they think they have an opportunity, their toxic attacks get taken to another level.

This is led by Democrats in Congress and their media. Granted, President Trump can, at times, provoke an even greater response or actions but this may be part of his strategy too, which pushes his enemies to a point of personal explosion or losing control of themselves. This could also be a plan to further expose the bias in 85 to 90 percent of the U.S. media.

To watch this first hand, check out the contentious White House press briefings that are many times televised on Fox or C-SPAN in the afternoon, when the President is in Washington.

Sarah Huckabee Sanders needs our continued prayers. It is a war zone, and President Trump's occasional unpredictable statements make it even more challenging for her.

Hal Lindsey, Author and Commentator

It is impossible to watch the news and even "entertainment," or read the newspapers and magazines without thinking: "What on earth is going on here?"

Anger, hatred, lies, lunacy, sick humor, lewdness, evil, absurdity beyond description. I sometimes wonder if this is how it would have been if the citizens of Sodom and Gomorrah had had the social media that we have today.

Evil comes at us nonstop and multiplies

exponentially in the time it takes to hit, "Like," "Send," or "Retweet!"

Disturbingly, many Christians are daily becoming more and more confused about what's important, or even what's true. At the same time, more unbelievers than ever are uneasy about what they see happening in the world. They know that things aren't right and they're feeling a sense of impending doom.

So where do they turn?

The only sure place to find answers is the Bible. In fact, the Apostle Peter said that the truth we get from the Bible is more certain than the testimony of an eyewitness.

Gary Bauer, Political Commentator

Over and over again, the left has demonized Middle America and increasingly attacked white working class Americans—whether it's Obama's "bitter clingers" or Hillary's "basket of deplorables" or the new Harvard-educated editorialist at the *New York Times*. Throughout history, the smearing of entire ethnic groups has always ended in a human rights disaster.

It is this kind of rhetoric that causes conservative congressmen to be shot at baseball games.

Or causes a teenager to have his hat ripped off his head by an "adult" man.

Or causes a deranged liberal to ram a car with a Trump sticker.

Or results in Sarah Huckabee Sanders not being able to enjoy dinner in a restaurant.

Or any of the 500+ other acts of violence and intimidation against conservatives.

Progressive leaders must denounce the hate-filled rhetoric against hard working, patriotic, tax-paying Americans. But I am not holding my breath.

THE OLIVE TREE IS ONE OF THE STRONGEST TREES...

When the dove returned to Noah after the deluge, it carried an olive branch. The olive tree was the first to flourish! Ever since, it has been a symbol of enduring life and health.

In Romans 9 - 11 the olive tree is the symbol of the spiritual heritage of Israel and the Jewish people. By God's grace, other peoples now share equal participation in His promises of eternal life and blessing.

Trapped in Hitler's Hell: A Young Jewish Girl Discovers the Messiah's Faithfulness in the Midst of the Holocaust"

By Anita Dittman and Jan Markell

Book: \$11 – 206 pages – softbound

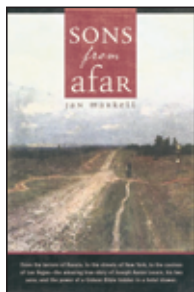

Jan's classic book, now celebrating 38 years of making a difference. The remarkable story of Anita Dittman and her miraculous survival during the Hitler years. The story spans 12 riveting years of

deprivation, captivity, escape, and walking across Europe to find her mother in a concentration camp. It is inspirational and puts trials in perspective. It demonstrates that with God, all things are possible. He truly never leaves or forsakes us.

"I read 'Trapped in Hitler's Hell' and loved it. It was mesmerizing, fascinating, inspirational, and God-exalting. And it was a masterpiece of writing!" – Dr. Dave Reagan, Lamb Lion Ministries

Documentary DVD: \$16 – 75 minutes, full color, produced by George Escobar

Brilliant. Gripping. A touch of cinematic expertise seldom seen. This drama was carried right to the heart of the viewer—me. I trust this dual production of film and book will be like an emotional hypodermic needle for America to awaken to the fact that the present leadership has placed the Western world on the cusp of the whole thing being repeated.—Merv Watson, Israel

Sons from Afar

\$10 – Book – 173 pages – softbound

This book by Jan Markell is a re-do of her classic *Gone the Golden Dream*. It is the true story of Joe Lessin and his sons. Joe's Judaism leaves him empty and he has a God-shaped vacuum in his heart. After he finds the real Messiah, Jesus Christ, he must win his family to Christ. His sons rebel for years, but then as it is promised in Isaiah 60:4, his sons come from afar and commit their lives to the true Messiah. Witness the power of a simple Gideon Bible hidden in a hotel drawer.

"This book is a powerful tribute to God's Word and the keeping of His promises. A double wow after reading it. For those struggling with unsaved loved ones, they need this awesome book!"—Dennis Rattenbury, MN

U.S. Presidents & Israel: A Blessing or a Cursing?

\$10 – DVD – 60 minutes

Jan Markell traces the activity of recent U.S. Presidents and how they blessed or cursed Israel and the Jewish people (Genesis 12:3). She begins with Woodrow Wilson, as he was in office during the *Balfour Declaration*, and ends with Barack Obama. The Obama administration has been the worst persecutor of Israel in its 70-year history. All Presidents between these two are considered in this helpful historical lesson with

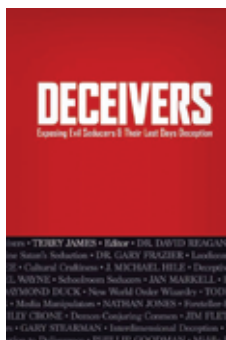

end-time significance.

Why We May Be the Terminal Generation: 15 Signs of His Imminent Return

By Jan Markell

\$14 – DVD – 60 minutes

Jan Markell feels there are many signs manifesting today that herald the return of Jesus Christ. While many will blossom in the Tribulation, they are casting a shadow today. Other signs are a warning for Church age believers and should be an encouragement that the King is coming.

“Enlightening and courageous. Not many have the courage you do to expose truth in all your presentations.”—Martin Holbrook

Hidden in Plain View: The New World Order in Bible Prophecy

By Jan Markell

\$14 – DVD – 60 minutes

Talk about a “new world order” and globalist efforts are not conspiracy nonsense. Learn who the major organizations and individuals are who are promoting this which is outlined in Revelation 13. It’s manifesting now even before the Tribulation. It will take a global crisis to blossom and Jan reveals that is likely the Rapture. One viewer states, “This resonated with me like few messages have.” It is a serious warning that the hour is late.

How the Blessed Hope Became the Blasted Hope: The Attack on Bible Prophecy

By Jan Markell

\$14 – DVD – 60 minutes

Today Bible prophecy is scorned by even many evangelicals. Many who love the news that the King is coming are marginalized. Jan Markell explains why and how this happened. She names the names of the major players who have steered people away from the greatest news there is in dark times. The presentation will still encourage you to look up even as headlines are worsening. Jesus is coming again, and soon, whether the church is excited about that or not.
