The Satanic Upside-Downing

By Jan Markell and Terry James

Note from Jan: The Bible said there would come a generation where good would be called evil and evil would be called good (Isaiah 5:20). As I look at the past year, stunning developments took place. But the most disquieting incident of the last year actually took place in January, 2019.

Wild cheering and applause erupted in the New York State legislature as lawmakers voted to declare abortion until birth a "fundamental right" and strike any protections for children in the womb from the books. January 22 was chosen to celebrate the anniversary of Roe v. Wade.

New York landmarks were lit up in pink to celebrate legalizing abortion until birth. New York City was giddy that this is the new normal. Gov. Cuomo wanted all passersby and motorists to see the One World Trade Center bathed in neon pink in celebration of New York's new abortion law, but many who saw it, only saw red.

The devil's delighted and loud guffaws were amped up by the WOOHOOS! from the hate-for-life- crazed Democrats and their mainstream media travelling show,

who toasted the pink lighting with pink champagne and chardonnay.

When I saw such depravity being celebrated like it was Mardi Gras time, I decided to re-print a recent article written by author and commentator Terry James. I have shortened it to fit into our print format.

Terry James writes: Once again, I come to the point in my pontificating that I admit to being sorely vexed. I understand more and more the KJV's description of Mr. Lot's sense of hyper frustration. Like Lot just before Sodom and Gomorrah were destroyed by fire and brimstone from Heaven, I am indeed sorely vexed.

I'll bet you are, too.

It seems as if the world has been turned upside-down in many ways. It seems that way because it is, in fact, being done so on a daily, even an hourly basis.

Just as there is a globalist-elite, all-out assault to invoke change in world order from sovereign nation-states configuration to borderless, one-world status, there is effort to

change you and me from freedom-loving people to slaves under their control.

Even as the previous presidential administration's *hope and change* promises proved to be part of the globalist agenda, the ongoing effort to turn everything upside-down continues—despite what I am convinced is God's Holy Spirit *restraint* against what looks to be developing the most evil time in human history.

Bible prophecy stage-setting for the consummation of the Church Age (Age of Grace) is on the horizon in every direction the discerning senses turn. This *upside-down assault* by the most evil creature of history is no exception. In that regard, we look at the Scripture that forewarns of exactly where we stand as a generation on God's end-time timeline.

Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter! (Isaiah 5:20)

This warning might easily be seen as pointing at those who, today, are directly assaulting everything God has deemed "good." He did so when He created that perfect or "good" sphere to be ruled or governed by His creature called man.

The Fall in the Garden of Eden, of course, caused Adam to lose the title deed to Planet Earth to Lucifer, the leader of the angelic rebellion in Heaven. Everything became corrupted by sin. The Lord was, thus, caused to destroy all life on earth that breathed air—with the exception of Noah, his family, and select animal life that would replenish the planet.

Now, at this late hour in human history, everything is in a rapidly-degenerating state due once again to sin-corruptive forces. No force is more corruptive than that being used by the chief corrupter, Satan. Lucifer the fallen one, is upside-downing all that God considers "good" and right in the world.

We could go through example after example of how this is taking place. Like the matter I've mentioned many times—wanting to preserve "Mother Earth" by doing things like saving the egg of the spotted owl or the tiny snail darter's habitat, while at the same time murdering human babies in their mothers' wombs by the millions. (More than 60 million in America since Roe v Wade in 1973 and 1.72 billion babies worldwide in the past forty years.)

On the religious level, the current Catholic pontiff says the Bible is wrong—that there are many ways to achieve eternal life in Heaven, that

The Satanic Upside-Downing

is, *redemption*. Jesus Christ is not the only way, as Jesus said (John 14:6). This is calling “good” “evil” in the most egregious terms possible. It is *upside-downing*, in the most blatant way possible, the absolute necessity to believe in the death, burial, and resurrection of His Son, Jesus Christ—the prescription God has, in His perfection, determined to be the only cure for sin sickness and the way to salvation for fallen mankind.

This blatancy can be witnessed in the most easily discerned way by considering the way the corruptive force is dealing directly with God’s creature called *mankind*.

God, as recorded in Genesis, made man and woman—male and female. There were no other human types that He made. The corruptive force tells us daily that we must accept that there are a number of types. There is the gay, lesbian, bisexual, transgender, and queer. There are likely a number of other such designations, but this is as far as my vexation allows me to investigate.

Satan’s insane rage has, at its heart, a hatred for mankind. This is why he has waged a campaign to corrupt, thus with the desire to destroy, God’s creation called man. That’s why the corruptive force has managed to convince the elected

(and unelected Supreme Court) governing authorities in America to allow the slaughter of helpless children.

That is why Satan has created the rage within the corrupted human mind that LGBTQ is a loving alternative to one man and one woman for life as the way to procreate. Lucifer, the fallen one, has convinced many that to not procreate is preferable—and when there is procreation, the child is unimportant and needs to be eliminated.

The corruption even goes on to put in the fallen minds of the vilest of human beings that children can be used in the most anti-God ways imaginable in satiating their lusts and perversions.

All of that constitutes a major reason this dispensation is quickly reaching its end and that God’s judgment and full-blown wrath loom. He will soon end the *upside-downing* and put everything *right-side up* again.

Jesus And The End Times

By Jan Markell

In light of the importance Jesus placed on the end-times, I always wonder how today's churches can justify dropping the issue. Unlike human prophets who were simply God's spokesmen, Jesus, as Prophet, is intrinsically omniscient, or all-knowing. He knows the future just as comprehensively as He knows the past.

Jesus Christ's prophetic teachings about the future are trustworthy. He knows what He's talking about. You can count on it!

He was sitting on the Mount of Olives when He delivered His most prominent end-time message (Matthew 24-25). The disciples had come to Him to inquire, "What sign will signal your return and the end of the world" (24:3). The entire Olivet Discourse should be viewed as His response to this question.

Jesus consistently stressed the importance of being ready for when He returns. He also prophesied about the judgment of the nations that will transpire immediately following His second coming.

But Jesus set forth other prophetic teachings aside from the Olivet Discourse. He affirmed that He would one day come for His followers at the rapture and bring them back with Him to heaven (John 14:1-3). In this book, Dr. Ron Rhodes reminds readers that we will see that prophecy was a major component of the teachings of Christ throughout His three-year ministry.

Keep in mind that Jesus rebuked the religious leaders of His day for not knowing the signs of His first coming. He wants people to be able to discern

the times. The religious leaders had been surrounded by spiritual signs of

Jesus' identity and they had missed them all. The Pharisees and Sadducees should at least have realized that Jesus fulfilled the Messianic verses.

Today, pastors, above all else, should realize that prophesied "signs of the times" are happening daily and they should not be casually brushed

off. It seems some Christian leaders today have hardened their hearts almost as much as the blind spiritual leaders of Jesus' day.

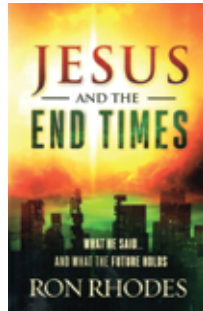

In Ron Rhodes' new book, the author lets you get a glimpse at all the major last days' happenings through the eyes of Jesus: The Rapture, the Tribulation, the fig tree, the days of Noah, the Second Coming, the Millennial Kingdom, the Eternal State, and more.

Rhodes' reviews the lessons learned from the Seven Churches of Revelation as well.

There is no shortage of writings about the last days—often full of speculation and sensationalism. Dr. Ron Rhodes is a trusted scholar. He is a frequent radio guest of Olive Tree Ministries and was a speaker at our Understanding the Times Conference in 2013.

I encourage you to enjoy this fascinating survey of the end times through the words of Jesus Himself, and gain the very best of what you can know about God's plan for the future!

Our Readers and Listeners Respond

Jan, your radio programs have been life changing. I make every effort to listen each week and even twice, if possible. Your bold, courageous talk on subjects most avoid is informative!—Lisa K.

I can't articulate how your God-given ministry has encouraged our family. We are SO lacking in solid, biblical teaching in our churches, that when we hear the truth from you and your speakers, it is like getting steak!—Randy & Renae

So thankful for you and your radio outreach. For remnant-believers in darkening Europe, you are all a blessing. Flag factories are working overtime to meet the demand for rainbow flags so that churches can show their LGBTQ support.—Gerard & Nellie, Netherlands

Jan, you, J.D. Farag, Jack Hibbs and Amir are my go-to locations for accurate Biblical info. What a world we live in! But what a world we are about to inherit.—Greg, e-mail

Jan, a friend here in New Zealand told me about your website which is our favorite. From the ends of the earth, thank you to you and your team, including Amir.—Anna, e-mail

The Top Ten Prophecy-Related Stories of the Last Year

By Jan Markell

We are well into 2019 but at the end of 2018 I compiled what I felt were the top issues of that year as they related to the last days. Find them listed here:

1. Nationalism is Scorned and Globalism is Celebrated

Globalism took center stage in 2018, so much so that President Donald Trump stuck it to the globalists by once against stating that he is a nationalist.

Additionally, Europe is reeling. Europe almost needs a savior. France's Emmanuel Macron keeps making astounding one-world statements, including wanting to offer Israel a peace plan. If the Antichrist is to come out of Europe, that continent is preparing the way

for him.

The globalists will recover as they will get their "paradise" during the 7-year Tribulation.

2. Israel Celebrates Her 70th Anniversary and America Moves Her Embassy to Jerusalem

In Matthew 24:34 Jesus gives a prophecy that the generation living during predicted events will not pass away until the events occur. Israel became a nation in 1948. Psalm 90 says a generation is 70 years. The Bible refers to the Tribulation as the "70th Week of Daniel."

Israel's re-birth is a reminder that God keeps His promises. Donald Trump kept a promise and moved the U.S. Embassy in Tel Aviv to

Jerusalem on her 70th anniversary.

The dry bones came to life in May of 1948 and the country celebrated it's 70th anniversary last May. This is the miracle of all time. They stood up on their feet a great army and in 2018 were declared the eighth strongest nation in the world!

3. In 2018 "Birth-Pangs" Became Apocalyptic

Throughout the year, we watched heart-wrenching photos and videos of unprecedented disasters that are just a foretaste of what will happen in the Tribulation or the "Time of Jacob's Trouble." Many commentators called these global disasters "apocalyptic" or "of biblical proportion."

4. U.S. Troops Pull Out of Syria

In late-December President Trump stated that he will pull all U.S. troops out of Syria. While opinions vary and Christians and Kurds will be further slaughtered by evil forces, this opens a pathway from Iran to Israel. Iran now has a perfect land bridge to Israel. Russia, Turkey, Sudan, Libya, "and many nations", will join in this attack.

This action could further cause Israel to strike Damascus and fulfill

the Isaiah 17:1 prophecy.

5. The Decline of the Character of Mankind; A Depraved Mentality (Romans 1); Lovers of Self (II Timothy 3); Godlessness, Immorality and Lawlessness Abound - A Return to the Days of Noah

In 2018 we watched:

- Massive voter fraud.
- Supreme Court nominee Brett Kavanaugh is falsely accused in the name of politics.
- Witches curse Kavanaugh and President Trump in public ceremonies.
- Literal demonic hatred expressed towards Christians and Conservatives
- Clergy bless abortion clinics.
- Drag queens appear everywhere, and heavily at children's events, and at one seminary in St. Paul, MN.
- Child drag queen performer "Desmond the Amazing" is declared by some to be the "the future of America".

6. The Tragic Rise of Evil

The Bible says that in the last days "evil will wax worse and worse." (II

Tim. 3:13) This year we have seen paganism and witchcraft soar as Christianity declined and Millennials said they did not need God.

More than 60% of Christians embrace some kind of “New Age” belief. It is now cool to believe in things that are dangerous.

The perpetrator of mass shootings such as the incident in Florida a year ago, state *they heard voices telling them to perpetrate such acts.*

And the Arch of Palmyra that was a part of the Temple of Ba’al, appeared in Washington, D.C. in September. Unspeakable abominations took place in the Temple of Ba’al and it is the essence of evil. ISIS destroyed the Arch in 2015 but replicas have turned up around the world. In September, 2018, during the Kavanaugh hearings in Washington, it appeared near the U.S. Capitol.

There is a growing love of evil while good is denounced (Isaiah 5:20).

7. ***Shocking Escalation of Apostasy and Mocking of Bible Prophecy***

Just when you think apostasy and false teaching can’t get any worse, it does! The *New Apostolic Reformation* is a global movement ravaging many churches with strange signs, wonders, and miracles that are not of God. Some of these folks celebrate their out-of-control “drunk-in-the-spirit” activity. Who could have imagined that India’s Kundalini spirit would actually enter the evangelical church?

Evangelical churches have almost all caved to social justice rather than sound preaching. People are left without a church as they appeal to church leadership, but in vain.

Bible prophecy is almost impossible to find in a church pulpit. Even my annual conference is regularly hung as a “hysteria conference”. Such attitudes are increasing exponentially.

8. *Intrusive Technology Invades Homes and Paves the Way for the Antichrist*

This year we have learned we are being watched or listened to 24/7 by big tech. *This was also the year the tech companies admitted they had an agenda.* They stated that they supported primarily far-left candidates, that they despised President Trump, and that they were not really lovers of free speech. Speech had to meet their terms.

Artificial intelligence can far exceed the human brain and A.I. can make images of people that look human.

Facebook, Google, Apple, Microsoft, Twitter, and more, are the new “masters of the universe” but hate righteousness and will likely hand their tools over to the Antichrist.

9. *The Crisis in the Vatican*

If the False Prophet comes out of Catholicism, we have seen its evil in the last year with one scandal after another. Pope Francis seems to look the other way, focusing on his own agenda.

The Pope is the ultimate globalist who could easily slide into the role of the sidekick to the Antichrist.

Even some Catholics protest that their leader focuses only on global warming, immigration and Socialism.

Major periodicals stated that 2018 revealed this is the Catholic Church’s worst crisis since the Reformation.

10. *Third Temple Talk Activity Accelerated*

The Antichrist will allow the third Jewish Temple to be built in Jerusalem early in the Tribulation. Preparation for that Temple accelerated in 2018. *The Temple Institute* announced the birth of a perfect red heifer in Israel that could be used in Temple ceremonies.

The Sanhedrin hosted the dedication of the altar for the Third Temple with 70 nations invited to observe in December.

While the third Temple has nothing to do with believers, still such activity is again a Tribulation event that is casting a shadow today!

I believe these are the top ten stories of the last year and are a herald of His coming. *Things continue to all fall into place!* We are not just in the last days, we are in the last hour.

THE OLIVE TREE IS ONE OF THE STRONGEST TREES...

When the dove returned to Noah after the deluge, it carried an olive branch. The olive tree was the first to flourish! Ever since, it has been a symbol of enduring life and health.

In Romans 9 - 11 the olive tree is the symbol of the spiritual heritage of Israel and the Jewish people. By God's grace, other peoples now share equal participation in His promises of eternal life and blessing.

Trapped in Hitler's Hell: A Young Jewish Girl Discovers the Messiah's Faithfulness in the Midst of the Holocaust

By Anita Dittman and Jan Markell

Book: \$10 – 206 pages – softbound

Jan's classic book, now celebrating 38 years of making a difference. The remarkable story of Anita Dittman and her miraculous survival during the Hitler years. The story spans 12 riveting years of

deprivation, captivity, escape, and walking across Europe to find her mother in a concentration camp. It is inspirational and puts trials in perspective. It demonstrates that with God, all things are possible. He truly never leaves or forsakes us.

"I read 'Trapped in Hitler's Hell' and loved it. It was mesmerizing, fascinating, inspirational, and God-exalting. And it was a masterpiece of writing!" – Dr. Dave Reagan, Lamb Lion Ministries

Documentary DVD: \$15 – 75 minutes, full color, produced by George Escobar

"Brilliant. Gripping. A touch of cinematic expertise seldom seen. This drama was carried right to the heart of the viewer—me. I trust this dual production of film and book will be like an emotional hypodermic needle for America to awaken to the fact that the present leadership has placed the Western world on the cusp of the whole thing being repeated."—Merv Watson, Israel

One viewer states, "This resonated with me like few messages have." It is a serious warning that the hour is late.

How the Blessed Hope Became the Blasted Hope: The Attack on Bible Prophecy

By Jan Markell

\$14 – DVD – 60 minutes

Today Bible prophecy is scorned by even many evangelicals. Many who love the news that the King is coming are marginalized. Jan Markell explains why and how this happened. She names the names of the major players who have steered people away from the greatest news there is in dark times. The presentation will still encourage you to look up even as headlines are worsening. Jesus is coming again, and soon, whether the church is excited about that or not.
