Can You See It: It's Hidden in Plain View

By Jan Markell

In 2017 I made my first DVD on the rush to the one-world system globally, but in two years, the scenario has so dramatically changed that a few weeks ago, I re-did my presentation. It is titled "Hidden in Plain View: The New World Order in Bible Prophecy." About 50% of the presentation is all-new information.

So, just what exactly is hidden in plain view? What do I even mean by that? What I mean is that the rush to the Antichrist's system is blatantly out in the open. The movers and shakers are proud of their efforts and they cannot wait for a one-world government, a single ruler, a single Godless religion, a single currency, etc. *The efforts started in Babylon but people didn't stop there.*

There are two major obstacles to the globalist plan: *America and Christianity.* Is it any wonder there is a vicious attack on both? Now Israel's Prime Minister, Netanyahu, also opposed to the globalist agenda, is even having his election victory of last spring challenged with new elections this fall. The one-worlders will go after all who do not

embrace their agenda!

We are taught and propagandized that globalism is just learning of the uniqueness of other cultures. It's the "can't we all just get along" mentality. But in reality, it is scheming for the system of the Antichrist. How many of the movers and shakers know this? I don't know. *Certainly some do.*

Others in favor of this believe it will just solve all poverty, injustice, racial issues, crime, etc. There would be an equal income for all! Everyone would be taken care of equally and fairly. *There would be perfect harmony!* What delusion, but Satan specializes in strong delusion and particularly in these last days.

As I have watched current events unfold since the original filming of "Hidden in Plain View: The New World Order in Bible Prophecy," I have seen new alliances and issues develop! Here are just a few that have been added to the original presentation:

- How the powerful banking industry has had a one-world agenda

continued on page 2

By Jan Markell

for 250 years right up through today, including their installation of the *Council on Foreign Relations* in 1921. The Rothschild, Rockefeller, and Soros empires, have been the major players since the 1700s.

- Insight on the United Nations' *Agenda 21*, *Agenda 2030*, *Sustainable Development*, and the *Green New Deal*, and why they are all just tools of the globalists.

- *How the open borders industry is a part of the one-world playbook. Why would globalists possibly want borders? Such a thought is offensive! And they are the reason President Donald Trump will probably never get his wall on the southern border.*

- Additional information on the Vatican, particularly Pope Francis and his push for global government to solve the world's problems and create better equality. *He now calls for an "authority" to implement the global agenda.*

- I reference the "billionaire cabal" who are 100% globalist in their thinking: Bill Gates, Jeff Bezos, Mark Zuckerberg, and more. They all want one-world, and their technology will be handed over to the Antichrist.

*Celine Dion's
New World Order*

evidence that "environmentalism" will be the primary tool to bring about one-worldism. What are the "Earth Charter" and the "Ark of Hope"? *Why are they actually using an image of the Ark of the Covenant in this scheme?*

- What are the Georgia Guidestones, and how does it lay out the globalist agenda including the need to reduce the world's population by 95%?

- How could a simple ceremony celebrating a tunnel between Switzerland and France in June, 2016, actually be an eight-hour globalist ceremony? World leaders flocked to the dedication of the *Gotthard Base Tunnel* that summer and watched globalism—and Satanism—be celebrated. The two go hand-in-hand, but then that should be expected with an Antichrist agenda.

- The entertainment industry is now fully on board with this one-world plan. Their current "useful idiot" is singer Celine Dion. See her new clothing line that is both globalist and Satanic. Why would anyone want to induct infants and toddlers into this awful agenda?

- This presentation provides further

- What was the *Arch of Palmyra*, a part of the old Temple of Baal, doing

Can You See It: It's Hidden in Plain View

By Jan Markell

at the *World Government Summit* in the United Arab Emirates recently? Why has this Arch traveled all over the world including Washington, D.C., in September of 2018?

- There is a transformation in Europe, out of which the Antichrist will come. How have recent events contributed to this scenario? Time Magazine just did a feature cover story on the *unraveling of Europe*. How timely, if the “man-with-a-plan” is ready to emerge from there.

Yes, the Bilderbergers, the Freemasons, the Illuminati, the Club of Rome, the Trilateral Commission, and many more, are still major players, but the players on the chessboard are increasing as is their activity. It is like there is an urgency to get the global agenda all set for their leader. He is likely waiting in

the wings. He may not even know he could be anointed any day. *That timing is up to God and God alone.*

All of these one-world schemes are doomed to fail because mankind's heart is dark and because God is left out of the plan! The billions of dollars George Soros owns and manages will be worthless in the eyes of God, who will bring his empire and the plans of others to naught. Yes, they will get their seven-year “paradise” known as the Tribulation or the Time of Jacob's Trouble, but look what a miserable failure it will be!

God's global government will work and we can all look forward to a glorious Millennium of true peace on earth with the ultimate global authority, the God of the universe.

I Never Thought I Would See the Day (Part 4)

By Jan Markell

A couple times a year I like to compile a list of things I never thought I would live to see! *Clearly, we're not in Kansas anymore.* Things are transpiring that fulfill the warning of Isaiah 5:20—*with evil being called good and good being called evil.* But, my list is growing literally bizarre.

In the electronic version of this article, I provided live links to the news stories that verified them. Sadly, I cannot do that with this print version, so sign up for our e-newsletter at our website, www.olivetreeviews.org. Go to “Resources”, then to “E-newsletters.” Our Constant Contact e-newsletter is sent about once a month at no cost but contains just one article, unlike our print newsletter of many articles.

So, I never thought I would see the day...

1) When politicians would talk about the world ending in just a few years because of some silly Green New Deal, but NEVER in a biblical context. Yes, the world will end some day, but there will first be a seven-year Tribulation followed by a one-thousand-year Millennium. The global warming of hell, Miss AOC, should be far more concerning than your man-made, earthly global warming, when the science is very questionable. Heaven and Hell are not questionable at all. They are a certainty!

2) When I would live to see Fox News, the long-time go-to source for news that we thought we could trust, feature town halls for raging liberals including a town hall for Bernie Sanders. He wants to see

the Socialist take-down of America. So Fox censored Judge Jeanine for questioning our Muslim members of Congress, but honors raging Socialists? And sponsors aren't dropping off??

3) When half of America's pastors admit that they are afraid to speak out on certain issues because they fear they might offend church members. The Barna Group revealed that nine out of ten pastors said they feel that helping Christians form biblical beliefs is important, but feel pressure about these hot-button issues and feel they are limited when speaking on them. *And we wonder why we have a confused nation?*

4) When our tax dollars—almost a quarter of a million dollars—would be spent for a virulent anti-Semitic event at the University of North Carolina last March. Ami Horowitz, an investigative filmmaker, produced an online video that should terrify anyone familiar with the history of Weimar Germany. Then—and now—universities were whipping up Jew-hatred and *it never stops with the Jews!*

5) When dozens of abortion workers would quit the industry thanks to a fairly low-budget film titled “Unplanned.” Nor, did I think I would see the day when such a compelling film would face so many hurdles just to get an audience. Every imaginable roadblock was thrown in front of it to keep people away from seeing a film that would save the lives of thousands of babies.

6) When the media would melt down because our President likes to hire

I Never Thought I Would See the Day (Part 4)

By Jan Markell

people of faith like Mike Pompeo and Mike Pence—and many others. *The New York Times* says this causes them to be “horrified.” *They suggest faith should disqualify people for employment but try that standard on the Left!* Mike Pompeo’s regular Bible reading, concern for religious liberty, and belief in a literal Rapture, *drives them crazy.*

7) When another entertainment outfit, CBS’ “The Good Fight,” would send out a tweet encouraging the assassination of President Donald Trump and use target words including “assassination” and “eliminate Mar-a-lago.” What kind of society, other than a banana republic, jokes about these things?

8) When one-third of Americans actually disbelieve the fact that six million Jews perished in the Holocaust and almost 70% of Millennials don’t know what Auschwitz is. This has led to a staggering rise in anti-Semitism and Holocaust denial.

9) When at the same time, Rep. Rashida Tlaib of Michigan, would say she gets a “calming feeling” when she thinks about the Holocaust. She then went on to re-write history and suggest that the Palestinians re-settled the Jews in the 1940s! Doesn’t she know that Yasser Arafat invented the Palestinians in the 1960s?

10) When an evangelical college, Taylor University in Indiana, had students who said they were “physically shaken” because Vice

President Mike Pence was their commencement speaker. *Many walked out.* Would they have walked out on a liberal who likely would have made destructive, anti-American statements?

11) When eight-year-olds would receive injections for their gender confusion. Isn’t this a form of child abuse? What kind of a society encourages this?? Yet government-funded research now allows sex hormones, such as testosterone, to be given to girls as young as eight. Have we re-entered the days of Noah and Lot?

12) When my tax dollars would be spent for a witch hunt that took 22 months, using 19 lawyers, 40 FBI agents, 2,800 subpoenas, 500 search warrants, and 500 witnesses—all for nothing. It was called the Mueller Report. And the Left won’t lay down their swords and give up the fight!

13) When Resurrection weekend, last April 19 – 21, millions of churches would talk about Christ’s ascension into Heaven, but very few of them would ever think about referencing His glorious return in the Rapture!

Politicians, kings, generals, and *even spiritual leaders will frequently fail us* because of their humanity. Only God is always to be trusted, always faithful, always full of wisdom, and so very patient with fallen mankind. So, when you see a list like this, know that things aren’t falling apart—they are all falling into place!

Available Late Summer and Fall

For years, renowned scholars have been working to uncover lost knowledge from the first century that will shed more light on why Jesus told His disciples what He did about the last days... especially regarding the Rapture; an event that most of the world no longer believes will occur. It turns out that recent discoveries have indeed uncovered ancient Middle East evidence that is believed to prove that Jesus is coming back.

This discovery is so monumental, that in order to properly unveil it to the world, Brent Miller Jr (the writer and director of the hit film “The Coming Convergence”) shot “Before the Wrath” to recreate this new discovery on a massive first-century Hollywood set with almost 100 actors and extras.

Actor Kevin Sorbo talked with Brent about these incredible new findings and immediately jumped onboard as the film’s official narrator. In addition, Bible prophecy leaders and teachers are featured in this film offering commentary. **They include J.D. Farag, Jan Markell, Jack Hibbs, and Amir Tsarfati.**

“Before the Wrath” is aiming to be in select U.S. theaters at the end of August 2019 and released globally on DVD, Blu-ray and digital the following month.

Love Israel? You Had Better Repent!

By Jan Markell

I have often reported that a prominent “sign of the time” is the decline of support, love or interest, in Israel and the Jewish people. I have given evidence that evangelical support for Israel is sinking — *and especially among young people*. Surveys reveal that there is confusion about, or indifference to, the world’s only Jewish state.

It is really a two-pronged phenomenon. There is a decline in the interest in end-times (eschatology) and a decline in interest and support for God’s Covenant land and people *by those who identify as a part of today’s church*.

The under-age-40 population is now focused on “social justice” and have bought the lie that the Jews are oppressing the Palestinian people when there is no such evidence.

It doesn’t help that most pulpits are silent on the importance of Israel and that more denominations and churches are embracing the false theology that the Church is Israel. This is known as Replacement Theology.

But nothing prepared me for what I saw on a link someone forwarded me online. It was the anti-Semitic internet TV program “TruNews” produced by Rick Wiles with his co-host Doc Burkhart. In what must be one of the sickest moments in the history of “Christian” broadcasting, one of the hosts of this network gives an altar call for Christians to repent for standing with Israel.

You have to see it to believe it. I can’t provide that stunning audio in print, although I played it on air on my June 8-9 programming. You can find that on my website or on my YouTube channel under Jan Markell.

Doc Burkhart leads his audience in a “sinner’s prayer.” He tells viewers to confess to God, “Lord, I’m so sorry. I don’t how I was so deceived. I don’t know how I was so bewitched by all of this.”

Burkhart says, “I thought it was a good thing to support the people of Israel. I thought it was a good thing to help Israel. But now I see it’s just

people using the name of Israel, people using the people of Israel in order to line their own pockets, in order to build their own kingdoms, in order to make themselves feel important.”

Burkhart then calls his viewers to *repent of this and turn the other way*, confessing, “Jesus, You are my Zion. Jesus, You are my Promised Land. Jesus, You are my Temple. Jesus, You are my Eternal Capitol, Lord.”

Then, with evangelistic zeal, Burkhart urges those who responded to this prayer to contact his network. One might think they were watching a Billy Graham TV crusade. *Write to us and tell us of your conversion, in other words!* Your conversion to anti-Israelism.

What on earth do these people do with Romans 9-10-11? Paul stands with his people, the Jews, and pleads for

Love Israel? You Had Better Repent!

By Jan Markell

them. He reminds us that eventually, “all Israel will be saved.” *His heart’s desire is that they might be saved*, not shamed or abandoned or belittled. Their salvation will only happen if the Church shares the love of the Lord and the gospel with them. Yet, outfits like Wiles’ “TruNews” are sharing only their hatred, their disgust, and their ignorance.

This is all a part of the great end-time falling away that is predicted in the

Church. It is just particularly painful to watch when I run a very pro-Israel ministry, have loved ones who are Jews—both saved and unsaved—and believe that the Church should be standing with Israel.

Without the Jews, we would have no prophets, apostles, Bible, or Messiah!

How odd of God, to choose the Jews, But not so odd, as those who choose, The Jewish God, yet spurn the Jews.

THE OLIVE TREE IS ONE OF THE STRONGEST TREES...

When the dove returned to Noah after the deluge, it carried an olive branch. The olive tree was the first to flourish! Ever since, it has been a symbol of enduring life and health.

In Romans 9 - 11 the olive tree is the symbol of the spiritual heritage of Israel and the Jewish people. By God's grace, other peoples now share equal participation in His promises of eternal life and blessing.

Hidden in Plain View: The New World Order in Bible Prophecy

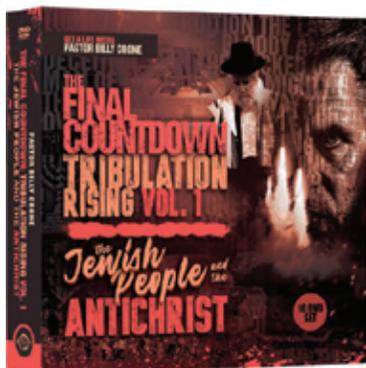

DVD by Jan Markell

Updated Summer of 2019

with New Info

\$12 – DVD – 60 minutes

The implementation of Antichrist's system will require a crisis and Jan shows how all human efforts are leading to the Rapture of the Church. From secret societies to the banking industry, from the billionaire cabals to Celine Dion and the entertainment industry, the world is preparing for a one-world scheme that will end in failure. Their seven year paradise will be the Tribulation. Thankfully, the believer looks forward to the one true globalist system known as the Millennium.

"Brilliant. Gripping. A touch of cinematic expertise seldom seen. This drama was carried right to the heart of the viewer—me. I trust this dual production of film and book will be like an emotional hypodermic needle for America to awaken to the fact that the present leadership has placed the Western world on the cusp of the whole thing being repeated."—Merv Watson, Israel

Reviving The Blessed Hope of Thessalonians

By Dr. Douglas Stauffer

\$15 – Book – 168 pages – softbound

Co-authors Douglas Stauffer and Andrew Ray feel it is essential to understand the timing of the "Blessed Hope" as today this is a raging debate. They maintain that the Bible does prove that God will Rapture the Church before the Tribulation or Daniel's 70th Week. With the church now predominantly silent on Bible prophecy, we feature a source like this to help you determine for yourself important issues including Rapture timing and believe you will reach the same conclusion—that the Church is not appointed unto God's wrath.
