The Stage Is Being Set

By Jan Markell

I am known for always suggesting that things are all falling into place. Some of those thoughts were reinforced when I interviewed Pastor J.D. Farag on air back on July 27-28. We discussed the top prophecy signs manifesting in this Church Age.

Many so-called "signs of the times" are for the Tribulation, but they are casting a giant shadow today. That is just a further reminder that the end of the Church Age is fast-approaching and the trumpet and the shout are imminent. Any day—perhaps even today.

Since those signs are fresh in my mind thanks to the July recording, I thought I would do a quick listing of those that are the most prominent today. Jesus chastised the religious leaders of His day for not knowing the signs of His first coming. Surely God wants His people to know that *the stage is being set for His return.*

Keep your eyes on these issues. Pastor J.D. Farag and I discussed each one, on air, and they are a herald of His coming.

#1. As prophesied in 2nd Peter 3,

the mocking and the scoffing of all things last days is off-the-charts. Whether it's people-in-the-pews, pastors, commentators, or unbelievers, the topic is not taken seriously and is blatantly put down. Prominent Christian leaders have encouraged people to *live their best life now and give no thought for the things to come.*

#2. There is an alignment forming that was prophesied by Ezekiel in the 38th and 39th chapters almost 2,600 years ago. The text refers to Gog from the land of Magog. Many scholars conclude that is Russia, but joined by several like-minded nations including Turkey, Iran, Libya, and more. They are gathering in Syria as I write this, and they are thinking an evil thought as it states in the passages. They want to invade Israel for her wealth—gas, oil, gold, technology and more.

#3. Bashar Assad has destroyed his country, Syria, and has welcomed in terrorists, Iranians, Russians, and more. He is begging to have Israel level Damascus as is predicted in Isaiah 17:1. That could happen

continued on page 2

The Stage Is Being Set

By Jan Markell, continued from page 1

today. *It could also be the trigger for the Gog-Magog conflict.*

#4. There are global cries for “peace and security” or “peace and safety” as predicted in I Thessalonians 5:3. It is often in a Middle East context as the world insists the Palestinians be given a state of their own and that would solve the world’s problems! The Palestinians don’t want a state side-by-side with Israel. They want to wipe out the very memory of Israel’s existence (Psalm 83).

#5. Jerusalem is a controversy as predicted by Zechariah 12:3. The world wants to divide this Holy City, which is the destination of Jesus Christ in the Millennium. A Mideast “peace plan” is on the table for this fall, thanks to the work of Jared Kushner. *This should be concerning for all Bible-believing Christians.*

#6. There is a rampant increase in wickedness as well as a rise of strong delusion. Up is now down and black is now white. Evil is waxing worse and worse (II Timothy 3:13). Witchcraft is soaring. The culture is declining as predicted similar to the days of Noah and Lot. *There is a reprobate mind around the world (Romans 1) that cannot make sense of the obvious.*

#7. There is the predicted increase of knowledge (Daniel 12:4) and the rise of Mark of the Beast technology.

Along with this, we see the talk of a global currency. Facebook’s Mark Zuckerberg is talking about such an option called a crypto coin that could be a part of a global economic system. Pay attention to Zuckerberg’s Libra, but keep in mind that such efforts *will produce a worsening digital gangster mentality that the tech world already possesses.*

#8. Matthew 24 predicts a worsening scenario as it concerns earthquakes. While that passage is Tribulation only, we can see their increase even in this Church Age. It is a reminder that Tribulation events are casting that obvious shadow today which makes the Rapture of the Church very near. These are likened to birth pangs and noting global weather patterns, their horror is more frequent and intense.

#9. We have an *unconventional and charismatic Pope* and I believe this is necessary if Rome is “Mystery Babylon.” He is even making deals with Turkey’s Erdogan to control Jerusalem. Even if he steps down or is replaced for any reason, I believe his successor will be equally compelling on the world stage, and will continue to stir things up as has Pope Francis.

#10. There is a longing for a one-world system or a globalist empire to be led by one man. We are told

The Stage Is Being Set

By Jan Markell, continued from page 2

this will solve mankind's problems, will erase poverty, and will make all things equal. It is spurred on by the United Nations today but the idea has been in the works for 5,000 years. Revelation 13 predicts a coming global system honored by all tribes, tongues and nations on the earth. It cannot blossom until the Church is gone.

#11. According to Matthew 10:22, Christians and Jews will be hated because of the Name of Jesus in the last days. Never before have both anti-Semitism and Christian persecution been so out-of-control. Entire Christian communities in the Mideast and parts of Africa are decimated. Anti-Semitism is now even prominent in the Democrat Party in America. *It is racing across Europe and other parts of the world as though it were 1938.*

#12. I Timothy 4 and II Timothy 3 suggest that the climate in the Church in the last days will be that of apostasy. Few will give heed to sound doctrine. People will be attracted to "fables." They will have only a form of godliness. *People are without a church today because the Church has left them.* Today too many churches are not about transforming but, rather, about conforming to the culture.

#13. There is constant talk and activity concerning a Third Temple

in Jerusalem! *The activity going on daily is stunning.* Christians know this as the Tribulation Temple as the Antichrist will defile it half-way through the Tribulation. He will turn on the Jews who then flee to Petra. The priests, vestments, utensils, and even red heifers, are ready to go. This is not by accident! *In fact, this may be the most intriguing end-time sign today.*

#14. We did not have the "convergence" of these signs-of-the-times even ten years ago! It is a very recent phenomenon.

There is a giant chess board set out and the players are moving about it. The Hand moving the pieces is divine and He knows the end from the beginning. The Bible foretold all that is happening and God wants us to pay attention. God was pleased with the Sons of Issachar who understood the times (I Chronicles 12:32). They took the time to consider the plan of God for their day.

There is a grand finale. Your relationship with Jesus Christ determines where you spend both the last days and eternity.

I Never Thought I Would See the Day (Part 5)

By Jan Markell

I would like to submit part 5 of my series of things I never thought I would live to see. So here goes!

I never thought I would see the day when:

- New York City would ban the declawing of cats as cruel but celebrate the killing of new-born babies as they did in January.
- The Chaplain in the U.S. Congress would pray to drive away literal demonic spirits in our halls of Congress!
- Israel would NOT ban two anti-Semitic U.S. Congresswomen: Ilhan Omar and Rashida Tlaib, who traveled to Israel this past summer. *And Israel is intolerant??* Their purpose was to gain more anti-Israel fuel to spread their poison.
- If I were a conservative, a Christian, a Republican, a patriot, or a lover of the American flag, my beliefs would have to be kept to myself!
- The lie that a theological scheme created out of thin air by Dispensationalist John Nelson Darby 150 years ago would travel around-the-world and convince millions of people that pre-Trib Dispensationalism is a cult.
- Political correctness would cause most of the world and the church to ignore Christian genocide around the world. The Trump Administration stepped in this summer to aid suffering Christians. Since the persecution is coming from Muslims, everyone is afraid to be called Islamophobic so everyone remains silent.
- The pro-life film *Unplanned* would continue to get death threats for those promoting the film in Canada. American showings also had huge problems, and all of this for a film that is saving the lives of babies!

- Big tech, such as Facebook and Google, admitted they will operate in a manner that they can throw the 2020 election in favor of Leftist Progressives. They see conservatives as the enemy.
- I would see the day when so many Americans loathe the most free and fair nation on earth. As Dennis Prager said, "I thank God for living in America. It breaks my heart that a vast number of young Americans have not only been taught how lucky they are to be Americans, but have been taught either how unlucky they are or how ashamed they should be."
- *Planned Parenthood* Director, Dr. Leanna Wen, was ousted from her job after just a few months because she wasn't "trans-friendly" enough. She refused to acknowledge that men could get pregnant and need to get an abortion!
- At the last *National Education Association* annual meeting, the delegates pushed lawlessness, open borders, extremely divisive special interest groups, abortion, youth sexual rights, sodomy, and gender distortion. No wonder young people are confused and seem to love Socialism and Marxism. *These folks teach your kids and grandkids!*
- A Holocaust survivor, Ed Mosberg, disgusted by Rep. Alexandria Ocasio-Cortez suggesting conditions on the southern U.S. border resembled concentration camps, nominated her for a Nobel Prize for Stupidity. *Way to go, Ed!*

Sometime soon read the characteristics of the II Timothy 3 generation and the outline of a Romans 1 generation. *We are there.*

More Deception in the Church

By Jan Markell

I have had a flurry of e-mails asking me about the Enneagram. What is it? Is it safe? Should Christians be practicing it? While some will brush it off as a simple nine-point personality test that might be helpful in a counseling session, this ministry is sounding an alarm.

It is being used for divination by some, and many who understand how deception creeps in slowly, are telling Christians to stay away from this! We have the Bible to foretell the future and this is just another worldly gimmick. Sadly, many in the evangelical church are heralding it, including Andy Stanley.

Its roots are in the ancient desert fathers and Catholicism. Many who minister by way of inner healing and deliverance also herald the Enneagram.

Before you sign onto it, just because your church says it is helpful, research it online and listen to the warnings on YouTube. At best, it is “New Age” and at worst, it is a tool of the occult. Also, catch the warnings given on our radio program August 10-11 by accessing our “Complete Archives” at our website or our YouTube channel.

The Gender Revolution

By Jill Martin Rische

What is your gender identity? If you think you are only male or female, then you're part of a dying breed of humans silly enough to believe that gender is binary.

Do you know what your pronouns are?

Elizabeth Warren tells us in her campaign literature that her pronouns are her/she and that would make her *cisgender*, since she identifies with the sex she was assigned at birth. In fact, she has dozens of genders to choose from including *pansexual* (gender-blind, open to all) and *demi* (partly male or female or another gender blend). Someone who identifies as a male, *demi* would view himself as part boy/part man and his pronouns could be they/their.

Perhaps you don't see yourself as having a gender at all, and that would make you *agender*, in which case, your pronouns could be they/their or even ze, sie, hir, co, or ey. Facebook has at least 71 genders to choose from—take your pick! It's hard not to feel like Charlie Brown sitting at Lucy's *Psychiatrist* booth screaming, "That's IT!" There are too many words that never made it into the dictionary before the 21st century.

Get ready—the Gender Revolution is here.

As humorous and crazy as these things sound, *Gender Dysphoria* is far from funny. Wikipedia, the voice of Google, defines it this way: "Gender dysphoria (GD) is the distress a person feels due to their birth-assigned sex and gender not matching their gender identity." You may be born a male but in reality, your gender identity will determine if you are actually female or something

else on the gender "spectrum." Think this won't affect you? Think again.

It's a systematic destruction of the human family on a global scale.

Millennials have fallen for it hook, line, and sinker, and that includes many Christian millennials. We have arrived at a turning point in history that leaves the days of Noah in the dust, and it's all the more dangerous because it is hiding in plain sight. Remember the old fable of the frog in the pot? We're sitting in lukewarm water heading for a full boil.

Make no mistake about it, laws will be changed. *You and I will soon be required to accept every gender a deluded world invents, and use all pronouns correctly—or else.* Your children and grandchildren will be indoctrinated to identify their gender in preschool, and even if you homeschool, there may come a time when your child is taken from you because you do not support gender identity.

The danger is real.

All we need to do is read the headlines from Ontario, Canada, where it is now legal for the state to remove your children from your home if you disagree with gender ideology.

Today, everything we fundamentally know about human life—our identity and purpose—is being systematically altered. As former NBC anchor and passionate transgender activist Katie Couric put it, "Gender is not as black and white, or pink and blue, as I once believed." It doesn't matter that you physically look like a male. You may be male on Tuesdays and the rest of the week, identify as a female, which means you're entitled to use female

The Gender Revolution

By Jill Martin Rische, continued from page 9

bathrooms at Walmart, Target, and just about any business in western civilization. You may even go into a spa and ask for personal waxing services meant for females, and if a female employee refuses, you can sue her and the spa. It's happening even as we speak.

From the pit of hell? You bet.

This is how the left will achieve its objective: indoctrination and intimidation. They believe that transgenderism is a “cultural phenomenon” and according to activist Karen Prior, “Culture cultivates. And a culture that cultivates something, by definition, produces more of it.”

Elementary school curriculums, rewritten by *Planned Parenthood*, now promote everything about gender identity. They include graphic instructions on how to engage in sexual activity related to your specific orientation. Democrats in Minnesota are currently fighting to pass legislation requiring its use in the public schools, and they're not the only state doing it.

Colleges across America ask students on the first day of school to fill out a card that identifies their correct gender and pronouns. Politicians and educators preach the liberal theology of gender identity on every media outlet, and the saddest thing of all is that younger generations are buying into it. *YouTube is overflowing with kids of all ages celebrating gender fluidity.*

Science has been dethroned.

It doesn't matter that the revered *scientific method* proves biological sex and gender are one and the same. *The feelings of the heart outweigh any question, research, hypothesis or test out there.*

It doesn't matter, according to *realclearpolitics.com*, that “An extremely large and consistent body of scientific research has shown that gender is the result of prenatal hormone exposure, even in the case of intersex individuals, as opposed to adults and society imposing gendered norms on unsuspecting children from the moment they leave the womb.” *The reality is that the great god, science, has finally been dethroned, and the only thing standing between us and complete anarchy is the power of God's truth.*

At the core of the Gender Revolution is a rejection of God's plan and purpose for our lives.

In the beginning God said, “Let us make mankind in our image, in our likeness...” We are His children. He created Adam and Eve—male and female only. This is physical, spiritual and cultural truth, a truth accepted by humans down through the ages. Even societies that rejected God, acknowledged only two sexes and treated transgenderism as a perversion of the natural order.

But Satan can never let God's truth stand, and he has the golden opportunity of the internet and modern technology. He tried to destroy the family in the Garden of Eden, and he is working to destroy it today. He cannot permit the image of God to remain.

This is a spiritual storm of momentous proportions and it's all based on a lie. How do we know this? *The Bible tells us our hearts lie to us, and transgenderism is one very big example of it.* “The heart is deceitful above all things, and desperately wicked; who can understand it?” (Jeremiah 17:9). Remember this and be on guard—your

The Gender Revolution

By Jill Martin Rische, continued from page 10

heart does not tell you the truth.

We must fight back.

This all-out attack on the family should drive us to actively proclaim our true identity in Christ to friends, family and as many people as we can reach. Check for legislation at your state level and read up on *Planned Parenthood's* new curriculum. Actively challenge your school board's decisions, even if your children or grandchildren are not in public school.

But most of all, we should remember that those lost in transgenderism are precious souls for whom Christ died, and they have been taken captive to do the will of Satan, the father of lies. They need our prayers, our kindness, and our love.

THE OLIVE TREE IS ONE OF THE STRONGEST TREES...

When the dove returned to Noah after the deluge, it carried an olive branch. The olive tree was the first to flourish! Ever since, it has been a symbol of enduring life and health.

In Romans 9 - 11 the olive tree is the symbol of the spiritual heritage of Israel and the Jewish people. By God's grace, other peoples now share equal participation in His promises of eternal life and blessing.

DVD by Jan Markell

Updated Summer of 2019

with New Info

\$12 – DVD – 60 minutes

The implementation of Antichrist's system will require a crisis and Jan shows how all human efforts are leading to the Rapture of the Church. From secret societies to the banking industry, from the billionaire cabals to Celine Dion and the entertainment industry, the world is preparing for a one-world scheme that will end in failure. Their seven year paradise will be the Tribulation. Thankfully, the believer looks forward to the one true globalist system known as the Millennium.

The Jewish People & the Antichrist

DVD by Pastor Billy Crone

\$42 – 10 DVDs – 20 messages

Pastor Billy Crone makes a case that the Tribulation Temple is nearly ready to go and this reveals the lateness of the hour. See this stunning DVD-set essay on how the Jews have eagerly prepared for their third temple. Everything is ready! But the Antichrist is not on the scene even though the time of the Tribulation is fast approaching. This is a great small group study.

Agenda: Grinding America Down

Trapped in Hitler's Hell: A Young Jewish Girl Discovers the Messiah's Faithfulness in the Midst of the Holocaust

By Anita Dittman and Jan Markell

Book: \$10 – 206 pages – softbound

Jan's classic book, now celebrating 38 years of making a difference. The remarkable story of Anita Dittman and her miraculous survival during the Hitler years. The story spans 12 riveting years of deprivation, captivity, escape, and walking across Europe to find her mother in

a concentration camp. It is inspirational and puts trials in perspective. It demonstrates that with God, all things are possible. He truly never leaves or forsakes us.

"I read 'Trapped in Hitler's Hell' and loved it. It was mesmerizing, fascinating, inspirational, and God-exalting. And it was a masterpiece of writing!" – Dr. Dave Reagan, Lamb Lion Ministries

Documentary DVD: \$15 – 75 minutes, full color, produced by George Escobar

"Brilliant. Gripping. A touch of cinematic expertise seldom seen. This drama was carried right to the heart of the viewer—me. I trust this dual production of film and book will be like an emotional hypodermic needle for America to awaken to the fact that the present leadership has placed the Western world on the cusp of the whole thing being repeated."—Merv Watson, Israel

Sons from Afar

By Jan Markell

\$10 – Book – softbound

This is a re-do of Jan's classic book by Bethany House, *Gone the Golden Dream*. From the terrors of Russia to the ghettos of New York—the true story of three generations of a Jewish family in search of a dream. Joe Lessin's Judaism leaves him empty and he has a God-shaped vacuum in his heart. After he finds the real Messiah, Jesus Christ, he must win his family to Christ. His sons rebel for years, but then, as it is promised in Isaiah 60:4, his sons come from afar and commit their lives to the true Messiah.

Witness the power of a simple Gideon Bible hidden in a hotel drawer. This makes a great witnessing tool.
