Rules for Remnant Survival: How to Survive These Last Days

By Jan Markell

While people in my home state of Minnesota shivered, I spent most of January in California meeting with remnant believers, speaking at churches and conferences. I had much feedback from people, and frankly, a lot of it sounded like this recent e-mail from a gal named Karen. She writes,

"If I did not have access to you and a few others online, I would be so isolated! I try to talk to people about issues that are important, including end-times, and they look at me like I am an alien. A few of you help me celebrate my alien status. I feel like a lonely gold fish in a bowl. Prophecy is coming true right before our eyes. You and a few others are making a huge difference with all of us aliens in the world."

So I spoke to and with fellow aliens on this January journey. I even shared a message titled, "Rules for Remnant Survival." I would like to share a few bullet points from that message on how we can survive these last days. I hope you find these observations and suggestions helpful.

- Remnant believers will travel across town and across country to be with like-minded people. Sometimes, they even cross oceans. And when they find one another, it is like discovering a gold mine.
- Though almost always in vain, these believers have talked to church leadership about their concerns, including topics missing from the pulpit, but they are generally blown off. Some are even asked to leave the church.
- We should expect mockery and worse as it is predicted (II Peter 3:3-4). Watchmen are going to be seen as trouble makers for we are studying and keeping alert. We understand the times as did the sons of Issachar (I Chronicles 12:32). *The tragedy is that our critics are the clueless ones.*
- Nonetheless, when it comes to charting our times and the lateness of the hour, stick to the Bible. Trendy new "signs" and theologies come along frequently. Some are intriguing and thus

become an Internet sensation. Some are embraced even though they come close to date-setting. New but unsound books and DVDs abound.

- Understand that the end-time church is racing towards Laodicea and is *more interested in conforming than transforming*. Many churches and leaders will focus on “your best life now.” You might long to be in Eternity with the Lord and with loved ones and escape a sin-wracked earth. *You will not be understood.*
- But we cannot survive alone. Seek out a Bible study or small group fellowship where you can relate with the like-minded if your church is lacking. Even an online group is better than no fellowship. As you encourage there, you will be encouraged.
- Things are going to grow darker and we must shine brighter! News of the day can be shocking and disheartening. *God is trying to wake us up and shake us up so we will look up.* A few will awaken and some will listen so we must not unplug from news and information because you might be someone’s “early warning system.”
- Resist being disillusioned. The

prophets of old longed to see and live in our day. We are privileged (and challenged) to be here for such a time as this.

- Remember the warning to the “watchmen” in Ezekiel 33:6. If we are silent when we should speak up, the blood is on our hands.
- The Bible suggests an end-time church will be small. In Luke 18:8, Jesus asks if He will find any of faith when He returns. Many will have fallen by the wayside. Thank God for the remnant that holds to truth and spreads truth.
- Remember that God has everything under control. Things are lining up; they are falling into place. Nothing is falling apart. We get to watch the stage being set! In the end, we win. So does Jesus Christ. The world will bow their knee to Him.
- Anticipate your crown for those who “long for His appearing” (II Timothy 4:8).
- Get your focus off of self and onto others. Everyone has a challenge: health, family, finances, career, isolation, and more. Encourage at least one person a day. That will make your day and theirs.

Rules for Remnant Survival: How to Survive These Last Days

By Jan Markell, continued from page 2

Many of today's churches—and thankfully not all of them—are following the church-growth formula that will never include issues remnant believers love to hear about. This was predicted. The rise of apostasy, wolves, false teachers, and more, may be the most prominent end-time warning in the Bible.

If you're going to be a remnant survivor, you need to figure out how to be a part of the solution to this sad state of church affairs. Bouncing from church to church is likely not the best idea. But sitting multiple times a week under bad theology, music with spiritually

unhealthy lyrics, or leadership that is just dysfunctional, is also not an option. *Cutting yourself off from fellowship is no better.*

A remnant of fabric is a discarded piece of cloth that no longer has a purpose—until someone comes along and makes a beautiful quilt out of it. You may be that quilt. You will ultimately shine brightly, certainly in eternity, but perhaps before. So don't despair.

The hour is so very late. Someone must warn the world. God may be calling you to do that. Watchmen have a very lonely role!

Can We Trust the President's Deal of the Century?

By Jan Markell

Before drafting this article, I sought out several sources, all of which have been extremely trustworthy. Opinions on this differed. Wanting to be supportive of our President, perhaps some are giving him some hopeful credit and believing the best. Credible people call the Israeli/Palestinian “Deal of the Century” a stroke of genius. Others are sounding a warning. Perhaps truth is somewhere in the middle.

Thus, I listened to or read comments by Joel Rosenberg, Amir Tsarfati, Pastor Jack Hibbs, Pastor J.D. Farag, Pastor Barry Stagner, Bill Koenig, Hal Lindsey, and others. My friend Michele Bachmann was at the ceremony that presented the “Deal of the Century” to about 180 distinguished people. She sent me her thoughts that were not to be shared.

No U.S. President has done more for Israel than President Trump; however, it is likely that this plan was drafted by his son-in-law Jared Kushner, not the President. I doubt that it had biblical inspiration. It is almost certain that verses that warn against “dividing the land” were ignored. *And the land is being divided in this deal should it ever be implemented. There would be the creation of a Palestinian state.* The plan allows for four years to get this show up and running.

The Palestinians are an invented people—invented by an Egyptian in the 1960s, Yasser Arafat. They do not want peace with Israel. They want her total destruction. *Isn't all this peace talk an exercise in futility then?* Probably.

Joel Rosenberg states, “Palestinian leaders will huff and puff, but they look ridiculous and their people are suffering. But as I read in the book of Exodus, I can't help but wonder if God has just hardened Mahmoud Abbas's heart.” Abbas rejected the plan immediately just as Yasser Arafat rejected every peace proposal that was ever drafted.

Journalist Bill Koenig reminded his readers that the day of the announcement—January 29—more turmoil erupted in President Trump's impeachment ordeal and more turmoil came to Benjamin Netanyahu who is fighting for his political life in Israel.

Koenig drew attention to the fact that just minutes after the announcement of the deal, a 7.7 earthquake hit off of the Florida coast and rattled buildings in the Miami area. The Dow dropped more than 500 points. There was a security breach at Mar-a-Lago, President Trump's Florida home.

What stood out to me was the number of times the words “peace” and “security” (or safety) were used. In 1 Thessalonians 5:3, Paul described the beginning of the day of the Lord (the Tribulation) in this way, “While people are saying, ‘There is peace and security,’ then sudden destruction will come upon them as labor pains come upon a pregnant woman, and they will not escape.”

There seems to be a connection to tampering with Israel's borders, the impending Tribulation, and end-time deal-making that emphasizes peace

and security!

Let's keep our eye on this situation and pray for the Trump Administration.

Previous administrations came under judgment for their efforts to touch the land that God calls His land (Lev. 25).

Are We Facing a Global Pandemic?

By Jan Markell

We've had them before—epidemics and out-of-control diseases that kill millions. Various strains of the flu can do serious damage. But the Coronavirus seems to be different because the Chinese are hiding aspects of this potential global crisis even though China's leader has admitted that this illness is very "grave."

Todd Strandberg, editor of the *Rapture Ready* website writes, "The Chinese culture is a great source for new virus strains. With China being a communist nation, the first impulse is to always cover-up any outbreak, which allows the contamination to spread.

"The Chinese fondness for eating anything that crawls on the earth adds to the risk. The Coronavirus that's currently grabbing world headlines is said to be related to the bat and snake market trade. There are also the 'wet' markets, which are popular in China as customers like to purchase their meat 'warm' – that is, recently slaughtered. In short, China is one giant Petri dish."

Strandberg concludes, "I think the ever-increasing threat of a global pandemic is meant to be warning sign from God of worse things to come. The pale horse of pestilence is getting ready to ride. His order to ride out will not come until the Tribulation is well underway."

"And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with pestilence, and with the beasts of the earth" (Rev 6:8, KJV). Jesus also references pestilence in Matthew 24 as He warns of the Tribulation.

Today, diseases spread quickly due to international travel that wasn't even prevalent during the pandemic of 1918 that infected one-third of the world! And today we have "superbugs" that are resistant to all drugs.

There is much we don't know about Coronavirus, but what is a certainty is that *its destruction is far greater than what is being reported!* We should not downplay the potential chaos it could create.

This ministry is always giving Tribulation warnings. If Tribulation signs are casting a shadow on the Church Age, *how late is the hour?* The Church escapes the horrors of the Tribulation, yet everyone reading this has loved ones that will be left behind if they do not put their faith in Jesus Christ. If you are one of those people, don't put that decision off another day.

Encouraging One Another

Jan Markell and Pastor Jack Hibbs present “Happening Now” at *Calvary Chapel, Chino Hills, CA* on January 22. Find the presentation on our website under “video” or on our YouTube Channel at “Jan Markell and Olive Tree Ministries”.

Jan had the privilege of ministering on two occasions to remnant believers at Rock Harbor Church in Bakersfield, CA. This was a Q & A for the church and visitors. Folks came for both services from as far as three hours away to attend and to support Pastor Brandon Holthaus and Jan.

Be sure to tap into Pastor Holthaus’ weekly prophecy update on YouTube. Find it under Rock Harbor Church. Each week he tackles cutting-edge issues as does Pastor J.D. Farag, Amir Tsarfati, Jack Hibbs, and others.

Olive Tree Ministries was honored to be a part of the annual “*Proximity Prophecy Conference*” on January 25. Speakers included Pastor Barry Stagner, Amir Tsarfati, Jan Markell, and Pastor Jack Hibbs. This is a Q & A session at the close. This event is sponsored by *Calvary Chapel, Tustin, CA*. It should all be posted on *His Channel* and YouTube. Jan’s message will be on our website and YouTube. One million viewed it live, streamed on *His Channel*.

THE OLIVE TREE IS ONE OF THE STRONGEST TREES...

When the dove returned to Noah after the deluge, it carried an olive branch. The olive tree was the first to flourish! Ever since, it has been a symbol of enduring life and health.

In Romans 9 - 11 the olive tree is the symbol of the spiritual heritage of Israel and the Jewish people. By God's grace, other peoples now share equal participation in His promises of eternal life and blessing.

The implementation of Antichrist's system will require a crisis and Jan shows how all human efforts are leading to the Rapture of the Church. From secret societies to the banking industry, from the billionaire cabals to Celine Dion and the entertainment industry, the world is preparing for a one-world scheme that will end in failure. Their seven year paradise will be the Tribulation. Thankfully, the believer looks forward to the one true globalist system known as the Millennium.

The Jewish People & the Antichrist

DVD Set by Pastor Billy Crone

Pastor Billy Crone makes a case that the Tribulation Temple is nearly ready to go and this reveals the lateness of the hour. See this stunning DVD-set essay on how the Jews have eagerly prepared for their third temple. Everything is ready! But the Antichrist is not on the scene even though the time of the Tribulation is fast approaching. This is a great small group study.

The Final Countdown: Modern Technology

This study, seeks to equip you with the multitude of prophetic signs concerning the rise of modern technology and its Biblical ramifications.

Agenda: Grinding America Down

By Anita Dittman and Jan Markell

Book: \$10 – 206 pages – softbound

Jan's classic book, now celebrating 38 years of making a difference. The remarkable story of Anita Dittman and her miraculous survival during the Hitler years. The story spans 12 riveting years of deprivation, captivity, escape, and walking across Europe to find her mother in

a concentration camp. It is inspirational and puts trials in perspective. It demonstrates that with God, all things are possible. He truly never leaves or forsakes us.

"I read 'Trapped in Hitler's Hell' and loved it. It was mesmerizing, fascinating, inspirational, and God-exalting. And it was a masterpiece of writing!" – Dr. Dave Reagan, Lamb Lion Ministries

Documentary DVD: \$15 – 75 minutes, full color, produced by George Escobar

"Brilliant. Gripping. A touch of cinematic expertise seldom seen. This drama was carried right to the heart of the viewer—me. I trust this dual production of film and book will be like an emotional hypodermic needle for America to awaken to the fact that the present leadership has placed the Western world on the cusp of the whole thing being repeated."—Merv Watson, Israel
