So Where Do We Go From Here?

By Jan Markell

Are you finding it painful watching the greatest nation on earth slipping from freedom, to Socialism, to tyranny? *How is this even possible, and in such a short time period?* Not all that long ago, things were booming.

Where are we headed as a nation? Where is the church going? How about just us believers who long for a Heavenly home and who have grown weary of this earthly trauma? *How long, O Lord?*

Let me offer some potential scenarios. I have no special prophetic gift other than watching headlines, the Bible, and connecting some dots. But, here are some potential future destinations:

A) America will make a giant turn-around politically and spiritually. Conservatism will bounce back, regain power, and stop some of the madness in Washington.

B) Additionally, there will be a great end-time revival. God is in the business of saving souls and He never tires of that. Revival is always on His heart.

C) The tone in Washington, and across the country, will actually worsen and we could see a kind of civil war. The violence could be serious and the damage to the nation, extremely severe. *The summer of 2020 was just a foreshadowing.*

D) The church today will say “enough” and will fight back against secularism, godlessness, and the declining morality. Our pulpits will come alive, will convict, will preach the truth, the gospel, salvation, and love of country. The church will actually turn America around.

E) America will head rapidly towards blatant Socialism, Marxism, Fascism, or a combination. In other words, in the not-too-distant future, most freedoms will be gone and we could have ruthless leaders. Laws are being passed in Washington, as this newsletter is being written, that are setting the stage for one party rule, and that party is not fond of freedom.

F) America will come under greater judgment from God, and we will see a combination of some of the above.

continued on page 2

So Where Do We Go From Here?

continued from page 1

G) *The World Economic Forum* will initiate *The Great Reset* starting with America and Europe, then spreading around the world. This is global socialism that will prepare the way for the Antichrist. (See our previous issue of this newsletter) The good days are behind us now. The church will vacate soon and evil will consume America and the world. History is winding down. *The eschatological clock is at one minute to Midnight.*

If you have followed this ministry online, on air, in print, at conferences, and more, you know *I lean towards the realization of point #G—and soon.* Of course aspects of points A – F could be thrown into the mix!

The Bible does not speak of a coming end-time revival other than in the Tribulation. It speaks repeatedly of end-time apostasy that will be rampant in the church. Could there be pockets of revival? *Absolutely!* Can a local church have revival meetings with hundreds finding salvation? *Without a doubt!*

But national or global revival this late in the end-time calendar is not likely.

Pleasing God is of no interest to most of our leaders in Washington, D.C. Rep. Jerry Nadler (D-NY) told Congress that “God’s will is of no concern in this Congress.” He and other liberals are leading an assault on religious freedom in America not seen in decades. *Additionally, they are initiating new laws that favor*

every aberration imaginable. Every perversion is being celebrated by our highest leaders in the land.

How can God turn around and favor this nation as long as this continues? *In fact, He will continue to lower the boom of judgment.*

Eventually, the evil will get so exponential that just as in Noah’s day, He will remove the righteous remnant in the Rapture. We are not inching toward that destination, we are racing towards it!

Franklin Graham writes, “*I have no doubt that the cancel culture, which is empowered and animated by a worldview that is antithetical to the Christian faith, will only intensify as godless ideologies such as that of the progressive radical left gain sway in seats of power and influence. The media, especially social media, will be further emboldened to suppress the voices of Biblical morality that threaten the immoral cultural narrative.*

“Believers should never be caught off guard by the culture around us—the culture of a world system behind which lies the evil one.

“The omnipotent, eternal, majestic voice of Almighty God can never be canceled. The voice of the church, the blood-bought bride of the Lamb of God who sits on Heaven’s throne, can never be silenced. Our message as His followers should always be to be ready to speak the truth of God’s Word...”

So Where Do We Go From Here?

continued from page 2

Graham is right. Our assignment is even greater today in a wicked society that is rapidly deteriorating. *We must not be silent. Time is short.* Now, let's focus on getting people into the lifeboat before the Titanic goes down. America has hit the iceberg. Very little time is left before

there is utter catastrophe for the unbelieving world.

But, for the believer, Eternity will be glorious!

See page four of this newsletter for ways you can make a difference for those who are left behind after the Rapture of the Church.

Where Did Everyone Go?

By Jan Markell

I am passionate about keeping people from experiencing the Tribulation outlined in the book of Revelation. *So many will be left behind after the Rapture of the Church,* which could happen at any moment. I have watched and documented the converging signs for several decades.

The unsaved of the world that will miss the Rapture, will endure a time of devastation, dissention, disease, disaster, death, and delusion. It will be a lawless time. Love will have grown cold. *That means people probably won't look out for one another.*

There will be astronomical disasters with stars falling from the sky, the sun darkened, a giant asteroid crashing to earth, and much more. The oceans become blood and the waters become poisoned. Imagine the chaos and confusion when these supernatural activities take place.

Additionally, demons are running around unchecked, some type of locust is biting folks, and the occult, blended with drugs, is rampant.

It will be so destructive that if Jesus did not return in His Second Coming, no flesh would be saved (Matthew 24:22).

Adding to this, millions will be missing! They will have been Raptured. Family members and co-workers will be gone. Governmental leaders will be missing, which means there will be non-functioning governments in some countries. *Imagine the fear and perplexity.*

Commerce will be interrupted during the Tribulation as people will not be able to buy or sell without a "mark." I believe the world is being conditioned for this with Covid restrictions, rules, and regulations. It will be easy to go from a mask mandate to a mark mandate. That may morph into forced vaccinations.

Where Did Everyone Go?

continued from page 3

We see the current scenario setting the stage.

But governments have overreached for over a year now and parts of America and the world have turned totalitarian with their rules, regulations, and restrictions. They have put 50% of small businesses in America permanently out of business.

It will be a deadly time. The Bible says that two-thirds of Israel will perish during this second great holocaust known as the Tribulation. One-third will see Christ return in the Second Coming and repent, as will millions of non-Jews who actually survive this terrible time.

Unless your church is the exception, *most churches will never address any of this.* It is understandably seen as terribly dark news that would keep people away from church. But as a result, the people are given no “left behind” warning. They are not told how to avoid all of this. They are not even told that by watching the “signs of the times”, we can conclude that the hour is very very late.

They are not instructed that some day the end-time clock actually runs out and that *we are nearing Midnight.* They will not instruct their people that the Church Age eventually runs out, the Rapture occurs, the Church

is taken to Heaven, but millions are left behind because they were clueless.

How accurate was the biblical warning that “My people perish for a lack of knowledge.” (Hosea 4:6)

The Tribulation time will not only *not be a picnic*, it will be an “every man for himself” time and a “*run for your life*” ordeal.

There may be a few reading this who will recklessly think they can wait until this ordeal transpires and then make a commitment to Christ. The problem is, you could perish in the opening minutes of the Tribulation, right after the Rapture, as planes, trains, cars, and more, crash and fall from the sky in that drivers and pilots have been taken to Heaven in the Rapture.

But, for those who DO survive the opening stages of this catastrophe, salvation is available through God’s provision of the 144,000 Jewish evangelists, the Two Witnesses, and others proclaiming salvation. It

will not be too late.

With this in mind, this ministry is carrying two products that *you can leave behind for those left behind.* One is a video produced by Prophecy Update: *After the Rapture—Left Behind.* Find it on our resource pages for just \$10 plus shipping. It is a simple and useful

Where Did Everyone Go?

continued from page 4

tool that can be slipped into a DVD player and offers a full explanation for what has happened.

We have carried *The Rapture Kit* flash drive for a couple of years. This flash drive, when plugged into a computer, has a digital folder of more than 120 pages of information, eight books on Bible prophecy, twelve video teachings, and a teaching on what happened and what the viewer must do next now that he or she has been left behind. This is a \$30 product.

We don't carry and promote such products just for profit. I hope you

hear my heart in this short article. We are burdened that the stubborn and hard-hearted will have second thoughts after the Rapture, and they must have an explanation as to what has happened. Some will remember you talking about this forthcoming event. They blew you off and thought you were peddling conspiracies and science fiction.

But, now they are on their own. I think they will give whatever you leave behind serious thought! Don't wait. The clock is ticking and Jesus is coming sooner than you can imagine.

The Very Best News!

By Terry James

(Note from Jan: I am including this excellent article by author Terry James. It strikes a similar note to my introductory article in this spring magazine. While our times are dark, we still can hang on to the very best news possible! Terry is co-editor of the outstanding website www.raptureready.com.)

The nation and the world are rushing with unbelievable speed into global godlessness. All the while, only a few seem to recognize the end-times rage. It's as if there's a supernaturally imposed blindness that has the scales of satanic deception veiling the eyes even of

those who genuinely know Jesus Christ as Savior and Lord.

We in America, according to the fawning media, now have the near-perfect administration and governmental agglomeration within the legislative and judicial branches—that is, since the previous, much-hated president and his party associates have lost the White House and majority congressional control.

The media, which helped bring this about—through questionable electoral machinations—now turn their attention away from careful

OLIVETREE MINISTRIES

The Very Best News!

continued from page 5

scrutiny of every detail involving Trump. They've turned instead to, for the most part, approval, even laudation, of every move of this new government.

And, the forces now in charge continue to bring this once-great republic ever closer to something that would have been unrecognizable by the founding fathers. For that matter, it's now already unrecognizable in many ways by someone of my generation.

There is little chance that this obfuscation of and dearth of truth will change. Alternate sources of news that would tell things as they really are continue to be systematically shut down. We watch almost hourly while websites dedicated to getting real news to the public are demonetized and even deplatformed for the most trivial reasons.

The media tyrants doing the shutting down won't answer the whys of such shutdowns. They consider themselves above the fray. The reason for their arrogant assurance of their ability to act in such tyrannical ways is that the new governmental "watchdogs" are in cahoots with them in wishing to suppress any and all pushback or resistance to their agenda.

And that agenda is proceeding at a phenomenal pace. Some wonder if there will not be total Socialism—even Communist-style,

governmental tyranny—in our nation by the end of 2021.

The assault on First Amendment rights (free speech) and plans to assault Second Amendment rights (the right to bear arms) are but two attacks on American citizenry. The war against American liberty coalesces from somewhere that can't be determined by those without spiritual knowledge. Those assaults are formed by the powers and principalities in high places of wickedness we read about in Ephesians 6:12.

And this is why it is imperative that the pastors in the pulpits of America make their born-again flocks know what we face. The times are getting dark and are destined, according to Bible prophecy, to grow much, much darker.

There is no revival on a massive national or world scale prophesied to occur at the end of the Church Age. The Apostle Paul wrote that "evil men and seducers will grow ever worse, deceiving and being deceived." The Lord Himself foretold that deception and wickedness would be signs of His return to earth to put an end to the incorrigible rebellion of earth dwellers.

The Bible prophesies that the times will be like they were during the days of Sodom and Gomorrah. *Can there be any doubt we're already at that point?*

The Very Best News!

I was told before going on a radio program in Canada just last week that I couldn't mention anything about LGBTQ or transsexual matters, or anything to do with such abominations. The station would be fined and punished—possibly taken off the air permanently—if those matters were addressed.

It might just be mere months, I sense, before such regulations will be instituted in our “land of the free.”

The reason pastors and teachers in the truth-bearing, true Christian churches should alert the people in their pews of these things is that they will soon hear it nowhere else. Younger people, who've been educated to believe the lies about America's Judeo-Christian founding, may soon have no chance as they surf their ever-speech-suppressing social media. Soon the light would be quenched, even in the true, Bible-believing churches, if not for one thing.

“The gates of hell will not prevail” against His Church, the Lord Jesus has promised.

As we observe the gathering darkness, we know that the Tribulation—that last seven years of hell on earth when Satan's evil will permeate this dying, decaying, world—approaches. Therefore, the light resident within the Church will be removed by Christ Himself, as He calls His Bride to Himself and

out of harm's way (Revelation 3:10).

So, in looking at all the evil gathering—which we can see, but the unsaved world cannot—that *moment of rescue must be very near indeed.*

It is incumbent upon each of us who follow Jesus as Lord, to hold up before the world as much light of the gospel as possible when we have the chance.

Soon, perhaps today, we will suddenly and gloriously stand in some splendid, eternal setting. We will look into the omnipotent, omniscient, eyes of our Lord, who died and was raised again so that we might be saved from the wrath that will then begin pouring out upon the left-behind world of rebels. We will then be taken to our homes He has been personally constructing for more than two thousand years. *What magnificent dwelling places those must be!*

Now, that's the very best news imaginable!

Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. (John 14:1–3)

WORTH QUOTING

Pastor Jack Hibbs, Calvary Chapel, Chino Hills, CA

How can we sit still at this hour? Are you sensing that current world events indicate that Jesus' coming is near? Can you look around and see that the season is changing, and God is about to interrupt our plans?

The soon appearing of Jesus Christ to earth should be a catalyst that energizes us to grow deeper in our knowledge of God. His return should cause us to be absolutely committed to evangelizing the world as much as possible. What an encouragement this passage is!

We will not be in the dark concerning His appearance. We will not be surprised when the trumpet blast sounds. Those who look for Him shall see Him, and we shall be changed in a moment, in a twinkling of the eye! Are you ready?

Bill Wilson, journalist, Koenig's International News

The winds of tyranny have been picking up across the United States. We have seen it with the cancel culture—the labeling of anyone with whom someone disagrees. We see it with Amazon and others removing books from their stores, reminiscent of Nazi Germany. It is apparent with the tearing down of statues representing the historic past of America. And we see it in a one-party controlled government that passes anything it wants, without even proper debate or listening to the people who elected them.

Congress is the epicenter of the

most powerful natural disaster in history as the winds of tyranny fill the American flag flying over the nation's capital behind a chain link fence topped with razor wire.

The natural disaster is that of wrong-minded, misguided men and women turning the world upside down with impunity. The Senate cleared the way for the \$1.9 TRILLION COVID relief bill to be sent to the White House for the President's signature. Republicans say that only 9% of the bill's spending actually goes to anything related to COVID. The bill contains so much socialism that it will be very difficult to overcome for decades.

Hal Lindsey, Author & Commentator

People call these "uncertain times" but are they really?? For those who understand Bible prophecy, the times became most certain with the re-birth of Israel in 1948. These are the days of the budding of the fig tree, times of the end as a new beginning dawns.

The Bible's accuracy should give us tremendous comfort. Through it, God demonstrates His authority and ultimate control. He did not create us and then leave us to fend for ourselves. He remains active and interested in our lives. He offers to make us a part of His family. And when you are one of His, He has a Bible full of promises to give you hope and comfort in times of trouble.

“Understanding Our Times” Can Visit Your Church or Group

Does the Bible say anything about what is happening in our world? *Absolutely.* From apostasy to lawlessness to signs of the times, our representative, Ken Mikle, talks about them. Ken is a security consultant and retired law enforcement officer. Call our office. You can also call Ken directly at 952-240-5120 for more details. Ken headquarters in the Minnesota-Wisconsin area and will travel on a limited basis at the expense of the host church or group.

Resurrecting Babel

Could it be any clearer that the world is racing towards paganism? That it is celebrating things that caused the world's destruction once and will lead to the catastrophe known as the Tribulation? The unbelieving world seems blinded to the very things that bring about destruction. As a *matter of fact, they celebrate it and build monuments to it.*

Amazon and Jeff Bezos have just unveiled the plans for its new corporate headquarters that will stand in Arlington, Virginia, directly across the Potomac River from Washington DC. *Scholars of ancient history and the Bible will readily recognize the ancient model for the design: the Tower of Babel.*

During the days of the Tower of Babel, mankind was trying to ascend to Heaven. The fullness of the extent

and degree of their pride and sin was limitless. In that respect, nothing would be impossible for them. God intervened in a shocking way. And, yet a proud

and godless generation is trying to do the same today, and is celebrating a time in history that is shameful.

God disrupted the work of the ancient tower by so confusing the language of the workers that they could no longer understand one another. The city was never completed, and the people were dispersed over the face of the earth.

Construction on Amazon's second corporate headquarters is expected to begin next year and, when completed in 2025, will cost \$2.5 billion. Perhaps it will be a celebrated tourist attraction during the Tribulation.

BEFORE THE WRATH

We have now sold thousands of this wonderful DVD presentation that is in two formats: drama and commentary. It centers around the biblical case for the Rapture of the Church. It also reveals that 98% of our churches have abandoned this message. The film uses the illustration of the Jewish wedding in Galilee.

Speaking into the commentary side of the film include Pastor Jack Hibbs, Jan Markell, Amir Tsarfati and Pastor J.D. Farag. Order from our “Resources” section of this newsletter or call our office M – F CST at 763-559-4444. You can also order in our online store at our website—www.olivetreeviews.org. You can now save almost 50% on this product.

The Social Media Dilemma

Somehow life functioned fairly well in the 20th Century without social media, but when it was introduced over a decade ago, it quickly became the new way of communication for our time. Business and ministry now depend on this form of communication to keep supporters and customers connected and informed.

Sadly, big tech companies wield unprecedented control over public discourse and have a tendency to censor viewpoints not shared by the Silicon Valley progressives who own and operate them. In the last few years, they have begun censoring Christians and conservatives, removing subscribers and followers, hiding information from readers, and more. *The tactics are literally Nazi-like.*

Jill Martin Rische, the daughter of the late Dr. Walter Martin, manages our social media and currently has us active on Gab (Jan Markell), Twitter (Olivetreeemin), Facebook (Jan Markell’s Olive Tree Ministries) and Instagram (Olivetreeeministries). Kevin Rische manages our video accounts on YouTube (Olive Tree Ministries or Jan Markell) and Rumble (Olive Tree Ministries). Some of these platforms compromise us and thus, we may vanish from some of them in the coming months. We are growing weary of playing games with big tech and being treated as second class citizens when our primary goal is to spread the gospel.

Our Thanks

Everyone is deluged with fundraising letters and emails but Olive Tree Ministries has never sent such items. But, we live in a very real world where every service costs thousands of dollars. It is posted on our website under “Resources”, then to “Print Newsletter.” Never hesitate to call or write us and unsubscribe. **Our e-newsletter is sent 1-2 times a month at no cost.** Subscribe at our website under “Resources.”

Our Conference Activity

The Covid frenzy of 2020 and 2021 shut down our annual conference activity, much to our distress. Since 2002, we have held 24 international events that have drawn tens of thousands of participants from around the world. The State of Minnesota is moving towards Socialism with a Governor that has limited attendance to all such events. That, along with social distancing rules and travel complications make an event with 4,000 attendees impossible. Should all of this change, we will make an appropriate announcement!
