Why Many Churches Today Can Never Understand the Times

By Jan Markell

I recently did a Facebook/YouTube live presentation with my colleagues, Amir Tsarfati and Pastor Barry Stagner. It was titled "Doctrine Matters." And indeed, it does! We considered a number of theologies that *do not allow their followers to understand the times or become watchmen on the wall.*

I thought I would summarize that discussion in this magazine format. Please understand that not every church in a particular denomination or stream of theology holds to some of this aberrant theology! A good illustration of this is many in the Assemblies of God are pushing back against Kingdom Now/ Dominion Theology, so prevalent in some Charismatic churches today. I'll explain in a moment.

So, here's a short list of theologies you might want to understand, and particularly if you are looking for a new church. I suggest you avoid any church that embraces:

Amillennialism: The Millennium Began at the Cross and We're in it Now!

Tragically, almost all major denominations embrace this today. *The Millennium is not literal, in spite of the fact that Revelation 20 says it is a thousand years multiple times.* It's not that they deny a Millennium; rather, they don't believe it is literal. They believe that Jesus is sitting on the Throne of David in heaven, and that this present Church Age is the kingdom referred to, over which Christ reigns.

To the Amillennialist, nothing is taken literally. Jesus is never going to rule from Jerusalem. There is no special role for modern-day Israel. Her rebirth is of no significance. The Church is the new Israel (Replacement Theology.)

To embrace this is to call into question God's desire and/or ability to keep His promises, and this opens up a host of other theological problems. For example, if God would renege on His promises to Israel after proclaiming those promises to be "everlasting," how could we be sure of anything He promises, including the promises of salvation

to believers in Christ?

Dominionism/Kingdom Now/Postmillennialism/Latter Rain: Things Just Keep Getting Better and Better!

Mankind does not have the ability to improve a decaying, sinful planet! But try to convince people who embrace any of the above theologies because they believe the Church can, indeed, bring Heaven to earth. Is this delusional? Perhaps. Jesus Christ cannot even return until we clean up the planet physically, spiritually, and politically, they teach!

The command in Genesis 1:28, to take dominion over all things, has nothing to do with creating perfection on a stained planet!

We cannot bring Heaven down to earth even though that is the message that is screaming at those who visit the website of Bethel Church, Redding, CA. The Bible says everything will deteriorate as we move further into the end-times, and apostasy will rage in the church. The love of many will grow cold (Matt. 24:12). People will primarily focus on self and money (II Timothy 3).

Many, but certainly not all Pentecostals embrace one of these similar theologies. Thanks to the

church, things will keep getting better! *Glory days are ahead!*

Instead, society will so decline that a “man with a plan” known as the Antichrist, will have to step up to the plate and try to save everything.

These theologies are not really interested in the nation of Israel as *their single focus is using the Church to perfect the world.* Those caught up in any of these belief systems will *never be able to understand the times!*

Preterism: It Already Happened and Who Knew?

This is one of the strangest theologies ever! *All prophecy is history. It happened in 70 A.D.* The Tribulation was the sacking of Rome and Nero was the Antichrist. There is no relevance to the rebirth of modern Israel. Some branches of Preterism even believe Christ returned “in spirit” in 70 A.D. and that’s it. It’s all over. A Partial Preterist would believe in a Second Coming.

Two prominent Preterists include Hank Hanegraaff and R.C. Sproul. Hanegraaff has misled millions who listen to his call-in radio program. He seems to constantly be at war with popular Dispensationalists like Dr. Tim LaHaye and Hal Lindsey. His

Why Many Churches Today Can Never Understand the Times

continued from page 2

belief system causes him to make inflammatory remarks that come close to anti-Semitism.

No Preterist can possibly understand our crazy days!

Reformed Theology: The Rapture? What's That?

There are many popular teachers today who embrace Reformed Theology but very few of them will be able to make sense of our times. Reformed scholar Dr. John Piper says, "The promises made to Abraham, including the promise of the Land, will be inherited as an everlasting gift only *by true, spiritual Israel, not disobedient, unbelieving Israel.*"

His Replacement Theology, or the Church is the new Israel, will blind many of his followers to the truth of what is happening on a daily basis! This kind of teaching causes evangelicals to abandon Israel and become pro-Palestine and even pro-Hamas. *After all, they conclude, Israel has no right to the land!*

Reformed blogger, Tim Challies, says he rejects the concept of the Rapture and says he will always hold to the fact that Satan is bound right now so he will cling to his Amillennialism. There is no coming

Millennial Kingdom.

The Reformers got a lot of things right but they collectively got eschatology (Bible prophecy) very wrong!

Some ten years ago, Dr. John MacArthur scolded his Reformed brethren at his annual conference and asked them if they had ever met a Hittite? *He reminded them that today there are several million Israelites and please adjust your glasses to see that this has huge significance for the believer trying to understand the times!* Without MacArthur's perspective, nobody embracing Reformed Theology will properly understand our times.

Premillennial Dispensationalism: The Truth!

Though it's mocked and scorned, it is the biblical truth and the only theology that will allow you to understand the times, contend for the faith, and become a watchman on the wall! Some just call this "Left Behind" theology, based on the Tim LaHaye book series of 15-20 years ago.

The key word here is "literal." It teaches a *literal Rapture, Tribulation, Antichrist, and Millennium. It fully understands the important role of Israel and her miraculous rebirth in*

Why Many Churches Today Can Never Understand the Times

continued from page 3

1948. It predicts that the church, right before the Rapture, will be Laodicea—riddled with heresy. It does not promote an end-time revival other than during the Tribulation, at which time untold millions will come to salvation through the 144,000 Jewish evangelists and the Two Witnesses.

Jesus Christ will return at the Second Coming to save mankind and to save the earth. He will install one thousand years of perfect government. This will be followed by the New Heavens and New Earth.

Conclusion

Because space is limited, I had to limit this discussion, but I hope this

helps. *If you are church shopping, all of these issues are relevant for you!* Today, many churches and denominations will lead you astray thanks to these flawed theologies.

Thankfully, there are some who refuse to buckle to false theology and reject the aberrant, having a love for the truth! *May their number increase!* Our times will continue to get crazier and people will desperately search for some answers. *But because so few churches actually embrace theological truth, the sheep just wander from church to church trying to find one that will help them cope during these last days.*

Anticipating the Antichrist

By Jan Markell

Oh, how America is preparing for the Antichrist with a Godless mindset.

A recent article in the *Los Angeles Times* and *Yahoo News* is headlined, **“Why America’s Record Godlessness is Good News for the Nation.”**

In part it reads, “The secularization of U.S. society—the waning of religious faith, practice and affiliation—is continuing at a dramatic and historically unprecedented pace. While many may consider such a development as a cause for concern, such a worry is not warranted. *This increasing godlessness in America is actually a good thing, to be welcomed and embraced.*”

Are you serious?

As recently as 1976, nearly 40% of Americans said they believed that the Bible was the actual word of God—to be taken literally. Today, only about a quarter of Americans believe that. More believe the Bible is a collection of fables, history, and tales written by men.

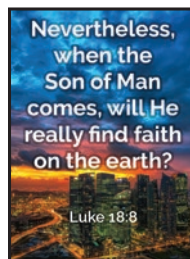

Rep. Jerry Nadler (D-NY) recently proclaimed that *God’s will was of no concern to this Congress*. First the liberals kicked God out of the Pledge of Allegiance and then out of their Democrat National Convention in 2012. Until recently, they did not make an effort to force the rest of the nation to also abandon God.

The Consequences

Secularization has consequences. Check out nations that have experimented with it: Japan, Scandinavia, Australia, the U.K. and parts of Eastern Europe. How is society functioning in Godless China and Russia? Once God is gone, *repression almost always follows.*

The article heralding America’s new Godlessness said that now society *can embrace abortion, socialized medicine, euthanasia, and gun control.*

It reads, “The organic secularization we are experiencing in the United States *is a progressive force for good*, one that is associated with improved human rights, more protections for planet Earth, and an increased socio-cultural propensity to make this life as fair and just as we can—in the here and now—*rather than in a heavenly reward that fewer and fewer of us believe in.*”

Does this not foreshadow the words of Luke 18:8: *When Christ returns, will He find any of faith??*

Government Becomes God

For one hundred years, there has been an effort to make government god. Starting in 2020, an element was added that furthered that agenda—fear. *Fear of a pandemic. It became the perfect storm.*

Author and blogger Jonathan

Anticipating the Antichrist

continued from page 6

Brentner writes, *"The combination of fear and the great deception of our time, have made vast numbers of people willing to submit to the government, which they now regard as the protector of their health. As a result, they have willingly given up many of their rights and freedoms for the sake of remaining healthy, a trend sure to continue."*

"The New World Order cannot exercise its dominion over people apart from their willingness to submit to dictates of a government they trust for their well-being and health. People wear masks without questioning their effectiveness."

"And, very few pastors stand up against the restriction regarding the freedom of religion imposed on them by socialist governors."

"In order for the elite to achieve their ultimate goal of a one-world government, they must convince people of the need for more government control of their lives. This explains their devotion to the contrived climate emergency and why they will not let go of the increased control over our lives that they have achieved through the China virus."

Given Over

Four of the most terrifying words in the Bible are "God gave them over" (Romans 1:24-28). Because man rejected God, He gave them over to foolish idolatry. We find the same principle in 2 Thessalonians 2,

but this time in terms of delusional beliefs: Those who reject God's truth will end up following the Antichrist. They will run pell-mell into his arms.

The stage is being set.

Just 50-100 years ago, our churches were filled on Sundays. Even though the Mainline Protestants were in decline, still faithful Presbyterians, Lutherans and Methodists joyfully sang hymns. The evangelical church was exploding in reaction to the liberalism that had invaded the Mainline church.

The thought of a prominent U.S. Congressman stating that our government was not concerned with God's will was unthinkable!

But 50-100 years ago we were not so late in the game! Few were even thinking about the Antichrist, much less knowingly or unknowingly heralding his coming. Now he is on the horizon. So are the Four Horsemen.

Evil is on its way. So is the return of the Lord in what is known as the Rapture of the Church. That's the good news in the midst of this sad story. He's coming soon whether the church today talks about this event or not. Nothing can stop it. *It is imminent. Any minute.*

Perhaps even today.

Are you ready? "All who call on the Name of the Lord Jesus Christ will be saved" (Romans 10:13).

Papers Please: Coming Soon—No Shot, No Service!

By David Fiorazo

Did you hear about the new vaccine bracelet being sold? That's right—you can wear it in public so people will know you are safe to be around. I wish I were joking.

This is what they're selling. Avoid fellow citizens, fear half the population. Way to go liberal media activists. Then there's New York Gov. Andrew

Cuomo who plans to segregate baseball stadiums into vaccinated and unvaccinated sections. Let's see, *divide people even more – what could go wrong?*

Writing for *Harbinger's Daily*, prophecy watcher, Chad Thomas shared some concerns many of us have warned about. We're upset about government overreach and the loss of our freedoms, yes, *but it will be corporations, airlines, and private businesses that will practically force you to take a vaccine. People won't be able to buy, sell, or travel without it.*

More on this in a minute. Did you ever think these things would be happening at such breakneck speed?

First, let's clarify. We're not being reckless by asking legitimate questions about more research and studies, or by wanting accurate

statistics on all things Covid. We're not denying people's serious concerns or those with major health vulnerabilities. *People have died, government has lied.*

The virus itself is very real. But the fear mongering, progressive push wrecking our country's economy, and the suffocating of our freedoms

should wake us all up. *The agenda behind it all is pushing us closer to a new world order. It's a globalists dream.*

So, this vaccination bracelet inventor says his device tells the powers that be, "I support the vaccine effort. I've been vaccinated. I'm safe to be around."

It's called the *ImmunaBand*, and for about twenty bucks, you can feel superior to others and have your vaccine records immediately accessible. So rather than authorities demanding to see your papers, they ask to see your wrist band.

The inventor, Dr. Toshof Bernton of Denver, said people in the travel and restaurant industry are getting the bands for their employees.

In March, Gov. Cuomo announced a pilot program for a COVID-19 electronic passport that would

Papers Please: Coming Soon—No Shot, No Service!

continued from page 8

allow people entry to public venues. *The Blaze* reported last week that a growing number of NBA and MLB franchises will be asking for “vaccine passports” as they reopen their venues.

Cuomo even offered free tickets to obedient fans. “And if you get the shot, you get a free ticket,” he said. He calls it a New York home run: Come to the game, get a vaccine at the stadium, get a free ticket to another game.

Several GOP governors have already banned vaccine passports in their states, but this shouldn’t be a political issue. And yet – sadly, it is.

Some of us saw this coming, but when will we reach a tipping point? We are bombarded by billboards, social media ads, and TV commercials telling people to get the shot and save lives. If you care about human beings, do the right thing: *mask-up, social distance, get the vaccine, wash, rinse, repeat.*

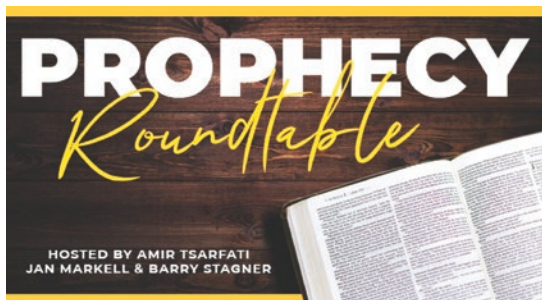

But where’s the balanced and honest reporting on the thousands who have died after taking this experimental gene therapy? Where’s the science justifying masks and forcing vaccines on young children? Hundreds of colleges are now requiring students to be vaccinated regardless of the fact *only about 0.1% of all COVID deaths have been 15-24 year-olds.*

But we may have to get used to freedoms with conditions and restrictions. In other words, discrimination and even persecution. And if you don’t blindly follow the crowd, or *if you disagree or try to simply speak the truth, you will be banned, censored, or canceled.*

Keep it all in perspective. This life is a vapor. Take your stand for Christ and then for the truth, even if you feel you’re standing alone. You have no idea who is watching how you respond and whose faith might be strengthened by your example.

These tests and trials are temporary. So are the sufferings of this present time, and the Bible says they are not worth comparing with the glory that is to be revealed to us. *Jesus is making all things new, and when He returns, what we’re going through will be quickly forgotten and will fade into eternity.*

Understanding Our Times Can Visit Your Church

Does the Bible say anything about what is happening in our world? Absolutely. From apostasy to lawlessness to signs of the times, our representative,

Ken Mikle, talks about them in a creative and informative manner. Ken is a security consultant and retired law enforcement officer. The seminar is titled *Understanding Our Times*.

To schedule Ken directly, call 952-240-5120. He headquarters in the Minnesota-Wisconsin area and will travel at the expense of the host church or group.

He will be sharing Sundays, July 11, 18 and 25 at 4 p.m. at Revive Church in Brooklyn Park, MN. The address is 7849 West Broadway Avenue, Brooklyn Park, MN 55445. For further details, call 763-391-6140. There is no cost or registration needed. It will not be live streamed.

Anti-Vax Star of David Badges

Here at the mid-point in 2021, there are some things you must see to believe. While this ministry will not give vaccination advice, it is obvious to any astute observer that the vaccination issue is the key issue of this year.

A Nashville hat shop that sported yellow patches resembling the Star of David with “NOT VACCINATED” across the front was met with widespread backlash. The Jewish badge was a key element used by Nazis beginning in 1939. Those marked with a yellow star

were eventually shipped off to concentration camps.

Why on earth would any business today play off of this terrible time in history? *Is this a harbinger of things to come?*

Almost 50% of America is choosing to not get the Covid-19 vaccine. It would be unconstitutional to force it upon Americans.

The controversy comes amid a spike in anti-Semitic crimes across the United States and Western Europe.

Lawless: End-Times War Against the Spirit of Antichrist

Book edited by Terry James

\$18 – Book – softbound – 413 pages

Stage-setting for the rise of Antichrist by the powers and principalities, both human and demonic, is in every direction one looks upon the globalist-dominated, end times horizon. With Terry James as editor, the book features 17 contributors, including Jan Markell, who give cutting-edge insight to this global dilemma. A few noted author contributors include Dr. Dave Reagan, Wilfred Hahn, Tom Hughes, Nathan Jones, Todd Strandberg, Mike Gendron, Jim Fletcher, Larry Spargimino, and others.
