## Top Bible Prophecy Stories in 2021

By Jan Markell

News with apocalyptic implications is breaking on a daily basis, so summarizing such events in a compact manner, such as a short magazine, is difficult. But, let me try. This current year has been record-setting in so many ways. Some of those ways are tragic as the Lord tries to get the world's attention. His patience is amazing, so He then sends another series of reminders.

Here is my short list of "harbingers of His return" that we should pay attention to, and that grabbed my attention as we rush to the end of this amazing year.

### ***America's Decline and the Rise of the World Economic Forum***

Many reading this did not think we would be the generation to see the drastic decline of America as a world leader. I'm going to be blunt here and suggest that *America is not coming back, but Jesus is.*

The world is now preparing for global government. The advancement is

stunning and diabolical. All efforts to advance it are cloaked in 'saving the world' rather than 'uniting the world'. But the organization tapped to lead this effort is the *World Economic Forum*. Its leader, Klaus Schwab, has gathered hundreds of the global elite to carry out his satanically-driven goal of a one-world government that now has global attention, thanks to the pandemic.

*The Coronavirus was the crisis they couldn't let go to waste.* So was the collapse of America as a global leader. Revelation 13 outlines the coming one-world government which will be led by the Antichrist.

In a brazen manner, the *World Economic Forum* boasts in their slogan that mankind will *own nothing and be happy*. They are telling us in advance that they plan to be in control, will own our possessions, and will govern with either Socialism or Marxism. I believe they manifest prominently in the Tribulation from

which the church is gone. Yet, we see them coming to prominence and recognition already.

## ***A Fear-Based World Willing to Submit to Government Overreach***

*The globalists convinced the world in the last 20 months that it is worth giving up many freedoms in the name of health safety.* During the Tribulation, the 'left behind' world will have to give up everything. Tremendous conditioning has gone on since March of 2020.

Our own FBI encouraged people to turn in loved ones who might have been violating health safety. Such betrayal is 'Tribulationesque' in itself. *The level to which the world has cooperated has been staggering.* Many have not submitted but far too many have.

The ultimate loss of freedom will come via vaccine passports and forced vaccinations. While some would say that is only medical tyranny, they will open the door for total tyranny. We don't know how much the Church will see of this, though we are spared from God's wrath (Revelation 3:10).

## ***Escalating Birth Pangs as Creation Groans***

Who can watch the calamity of natural disasters today? Weather

commentators have said they are escalating with *greater frequency and intensity*. Imagine—the world is using biblical terminology! The world has taken God out of the equation, and suggests the tragedies are man-made and the result of man-made climate change, when there are over 50 Bible references stating that God is in control of the weather.

While these will be off-the-chart in the Tribulation, we see a foretaste of them now in the Church Age, and particularly all of 2021. The world is suggesting that only a mother-earth type worship system will fix these natural calamities as they refuse to recognize them as the hand of God. They are a stunning herald of Christ's soon return.

## ***Lawlessness and the Rise of the Spirit of Antichrist***

Since Minneapolis is my home town, I recognize lawlessness! Five miles of Minneapolis was burned down in May of 2020 and will never bounce back. But, today's lawlessness doesn't have to be buildings being looted and burned down. *We have utter lawlessness coming out of Washington, D.C.*

Lawlessness will abound in the last days (Matthew 24:12). The passage in Matthew is really a reference to the Tribulation, but all Tribulation

# Top Bible Prophecy Stories in 2021

continued from page 2

events are casting a shadow on the Church Age—and this one in particular.

The Antichrist is called “The Lawless One” (2 Thessalonians 2:9) whose rise to power will be in accordance with the schemes of Satan. The root of this evil is rebellion, and we see rebellion everywhere we turn.

Since the spring and summer of 2020, we have seen the escalation of utter lawlessness in many countries as these nations prepare to greet the Antichrist and his administration.

## ***Romans 1 Reprobate Mind and Delusional Thinking***

Four of the most terrifying words in the Bible are “God gave them over” (Romans 1:28). That is what he does to mankind in the last days. He gives them over to a reprobate mind where to most people, up is down, black is white and evil is good. *Such thinking abounds today.*

Once the culture declines to a serious level, God says, “enough”, and rescues His Bride, the Church, out of it all and takes us home to Heaven. He then judges the world for its depravity during the seven year Tribulation.

In the last year-and-a-half, we have seen major leaders engage in the most delusional thinking imaginable.

If one didn’t have a biblical perspective and an end-time hope, their actions would be terrifying. It is as though they intend for as much destruction as humanly possible. God has washed His hands of many of these Godless leaders and they are recklessly careening into the very last days.

## ***Marginalization of Christians, Conservatives, and Jews***

The Bible says that the unbelieving world hates us (John 15:19). In the last year, that has become a harsh reality in the Western world. Righteous people, starting with born-again believers, have been called “extremists”, “white supremacists”, and comparable to the Taliban.

We went on the *Department of Homeland Security Potential Terror Threat List* if we objected to various Covid measures, or if we questioned the 2020 election. Leftist commentators said we were dreaming of a theocracy. They are partially right. We long for Christ’s ruling out of Jerusalem in the Millennium.

As we moved into late summer of 2021, we saw a new target of marginalization: The unvaccinated. While this is a personal medical decision, the powers that be decided to establish rules and even unemploy millions who have chosen to not get

the Coronavirus vaccine, suspecting the safety of the experimental drug, or because of natural immunity.

As we move closer and closer to the end of the Church Age, both Christians and Jews will be under more and more attack. *We are to count it all joy* (James 1:2)!

I believe these are some primary top signs of the times in the last year.

Corrie ten Boom*

*Corrie ten Boom*

The ten Boom family were Dutch Christians who helped many Jews escape the Nazi Holocaust of WWII. When their home was raided after an informant tipped off the Nazis of their activities, the entire family was imprisoned. Corrie and her sister were sent to a notorious Nazi concentration camp. She was miraculously released from prison.

God brought incredible beauty and healing through her difficult experiences, and her words still have great relevance and impact in our world today. Her most notable book is *The Hiding Place*.

# Afghanistan in Bible Prophecy

By Jan Markell

What are we to make of the Afghanistan debacle that unfolded late summer? For sure it is further evidence of point one in my opening article—America’s leadership on the world stage is now diminished. We have an administration in Washington that so mishandled this operation, *that the only conclusion is that the catastrophe was deliberate.*

The details were likely orchestrated by globalist one-worlders who are pushing America into irrelevance. They have “useful idiots” in the Biden administration, made up of America-haters. Good people were left behind, including an unknown number of Americans, while tens of thousands of Afghanis were allowed into America, including Muslim men with child brides. It doesn’t get any stranger or any more evil. *This is a horror movie script.*

We hear much about the Gog-Magog War of Ezekiel 38-39. *The “stans” are a part of Magog:* Afghanistan, Kazakhstan, Tajikistan, Uzbekistan, Kyrgyzstan, Turkmenistan, and Pakistan. These will be among many other nations invading Israel including Iran, Russia, Turkey, Libya, and Sudan. Most scholars believe this war is in the near future, perhaps immediately before or after the Rapture of the Church.

Ezekiel 39:9 says Israel will burn the weapons of this war for seven years. The Biden administration chose to leave \$85 billion in weaponry behind in Afghanistan. While some of this

equipment was dismantled, it can easily be re-built by the Russians or the Chinese. In other words, Israel’s enemies now have the most sophisticated equipment found on the planet—but it will be destroyed in this war.

The passage in Ezekiel says no nation comes to Israel’s aid in this invasion—*but God does!* He devastates her enemies on the mountains of Israel. *Because of the miraculous nature of the war’s outcome, Israel realizes God was on her side.* For some, this begins a spiritual awakening.

More reprobate mind thinking is on display here. America is talking about further negotiating with the Taliban—*thugs with a Seventh-Century mindset*, motivated by brutality that make the Mafia look like Boy Scouts.

Pray for those left behind in Afghanistan. Of particular concern are many Christians who are in hiding or on the run. One Christian said, “Pray that God puts angels around our home! One of us is always awake during the night, always walking around and praying, so if the Taliban should come and knock on our door, we should alert everyone.”

More of the stage is being set! Sadly, good people are always caught in the crosshairs of evil as final day events play out.

**Gary Bauer, Founder, *Our American Values***

I just want to take a moment to remind you of what has been done over the last eight months to attack and undermine the Judeo-Christian foundation of America.

- The president embraced the lie that life doesn't begin at conception.
- American taxpayers are being forced to pay for abortions overseas.
- The Biden Administration restored taxpayer funds to Planned Parenthood.
- The Department of Education is forcing schools to embrace gender confusion, contrary to biological science.
- The Biden Administration is trying to force doctors to perform transgender surgeries.
- Biden issued an Easter proclamation that didn't mention Jesus.
- Biden is appointing left-wing judges who are committed to abortion and restricting religious liberty.
- Biden reversed Trump policies that prioritized persecuted Christians in the Middle East. Just like the Obama years, we once again are bringing in hundreds of thousands of Muslims from the Middle East with no vetting to determine whether they harbor anti-Christian, anti-Semitic, and anti-Western attitudes.

I could go on, but you get the point. Men and women of faith cannot be silent bystanders in the culture war. The left has become increasingly hostile and intolerant of faith.

**Hal Lindsey, author and commentator**

The nearness of God is a treasure no amount of wealth or influence can buy. As evil men and women wax worse and worse during these troubled times, how marvelous to know you have made God your refuge.

Today's super rich are investing billions in schemes to attain some perverted form of eternal life. The state of the world scares them, too! So they build safe rooms in their mansions or build bunkers in the wilderness. They hope to ride out the apocalypse in style. But the safe room may not withstand a devastating blast. And if they are not in the bunker when the bomb goes off, it does them no good.

God is not like that. He remains our refuge no matter what happens and no matter where we are. So don't envy evil men. Those who are in Christ have a glorious future. 1 Corinthians 2:9 says, "Eye has not seen nor ear heard—the things which God has prepared for those who love him."

You may be in the midst of a struggle—perhaps fighting pain or dealing with loss. But even in your most difficult hour, you are infinitely richer than the man who gains the whole world, but does not know Jesus.

**Gary Kah, author and commentator**

So why in the world have our government agencies and most medical professional associations been doing everything in their power to deny sick patients these Covid treatments that could save their lives? Here's the reason. The United Nations (including

# Worth Quoting

continued from page 9

the WHO), the World Economic Forum, the Vatican, and other key players, have an agenda that involves the creation of a global system of government and the introduction of a worldwide cashless economy, utilizing digital currency (an electronic monetary unit) for all personal and corporate transactions.

The ultimate aim: Full control over every move of every individual on the planet via a health-imposed economic dictatorship. This agenda is moving forward in the name of democracy but is actually being driven by Marxists dedicated to the cause of world government and in some cases to Lucifer (Satan) himself. We are witnessing the fruits of raw evil playing out in real time.

These sinister forces are using the engineered Covid crisis and push for a mandatory vaccine as a means to their ends, implementing their agenda under the guise of “taking necessary health measures” to save humankind. Those of us refusing to take the vaccine – thereby directly interfering with their agenda – will be targeted and blamed for the continued spread of Covid variants. This is not about science, it is about forcing the people of the world into a diabolical snare that, as we will see, has eternal ramifications.

Well, unfortunately the Biden Administration is now in power and is determined to do whatever it takes to force this deception upon the American people, and if possible, to make it irreversible by the 2022 mid-term elections.

If Biden and Harris – and their congressional accomplices – lose momentum (because of Afghanistan or other debacles) and it becomes clear that they cannot pull off this globalist agenda in a timely fashion, the powers that be will likely try to precipitate a large-scale crisis (involving an economic collapse, a nationwide cyber-attack, or worse) to move things along.

They believe their time has come and are determined to push this evil through; they will involve foreign powers against the US if necessary.

## **Todd Hampson, author**

Ten years ago, globalism was a conspiracy theory, the conditions needed for the Ezekiel 38 war seemed impossible, technology had not yet reached the mark-of-the-beast level, and America was sick but still fighting. In 2021, all of that has changed. We are trending toward a rapid boil and could be there at any moment.

The Lord could cause the heat to be turned down and the water could cool a bit, but it doesn’t seem that is the case and I don’t read anything like that in Scripture. Jesus said He would come quickly and end-time birth pains won’t stop once they have begun. We are heading full speed into everything the Bible prophesies about the future Tribulation period—and *our generation is seeing it all unfold!*
