Are You Weary?

By Jan Markell

I recently received the following e-mail from Karen that sums up the way many are feeling today. She writes, "Would you please present a radio show to encourage your listeners who are discouraged and made doubtful by rampant evil and the delayed rapture of the church?"

She continues, "The book '*The Late-Great Planet Earth*' was published decades ago. Keeping the faith becomes more challenging every day; we believers

have pain in our necks from looking up. And for what? Will the Savior ever rescue us from this scary world gone Kafkaesque and looking like a Dali painting?"

There are over 365 verses in the Bible that tell us not to worry, not to be anxious, not to be fearful and not to fret over evil men. But on many days, believers are so inundated with horrific headlines and predicted scenarios of doom and gloom that staying calm and praising the Lord are difficult, even knowing that the Bible says the last days will be perilous.

We Could Never Have Imagined...

Even though some reading this have been Bible students for fifty or sixty years or more, we never expected to see a time when the spirit of the Antichrist would be so prolific. We never thought we would see America decline and no longer be a superpower. We never thought the likes of George Soros, Klaus Schwab, Bill Gates, Yuval Noah Harari, Barack Obama and the Chinese Communist Party would be the puppet masters running America. Plus legions more wicked men and women scheming in dark, smoke-filled rooms.

We are reluctant observers of the fundamental transformation of America that Barack Obama promised in 2008. *We just didn't believe him.* And it's why I keep urging all believers to have an eternal perspective and to hold on loosely to this groaning planet. Once final-day events are set in motion, as they obviously are, *there is no going back to normal.*

America's Gestapo

In August, we learned a lunacy bill was passed by Congress that was going to lower inflation. Actually, that was just a gimmick. It will do just the opposite. Monsters in the swamp of Washington, D.C. voted to allow the IRS to become the modern Gestapo. Because of his mental incapacity, Biden's only role is to put his signature on legislation designed to make Americans suffer. *But that signature allows the IRS to soon become larger than the Pentagon, State Department, FBI, and Border Patrol combined.*

This allows these agents to further squeeze the middle class in America and further crush conservatives and Christians, as well as Christian organizations. These IRS agents will raise more than \$200 billion in additional revenue for the federal government over the next few years.

If you're like most righteous people, you're fed up. You're disgusted that evil always seems to win; that politicians speak nothing but lies, and that they seek the demise of anyone who disagrees with those on the Left. You wonder why God even allows the re-election of such serial liars.

Weary of Being Outraged!

We are just frankly, weary of being outraged. We groan that those in power never let a good crisis

go to waste. We wonder how an entire system, the media, has been persuaded to further the lies and further promote such a nonsensical agenda. We get frustrated that too many pulpits will not address vital issues that could at least wake up some Christians.

Politicians enter office as ordinary people, but in time, are worth tens of millions of dollars. Much of this wealth is from nefarious deals, and we are outraged. Today's political players are nothing but a crime syndicate.

No, nothing in this world works very well, and that is by design. But don't interpret that as evil winning. Evil people will someday soon stand at the *Great White Throne Judgment* where they will account for every one of their deeds, their lies, their greed, their selfishness. *They will receive unspeakable justice.*

"It Is Finished": The Beginning of the End

God didn't ignore the evil that the Fall produced. When Jesus cried those anguished three words on the cross, *'It is finished,'* it signaled the beginning of the end. The power of sin and death, which so strangles the human soul, which ravages the planet, which obscures the glory and grandeur of our great God -- this has been defeated, and like a helium balloon, is dying a slow death.

Are You Weary?

continued from page 2

Evil, my friends, is not winning. The story of the Bible is that there is hope in the death, burial, and resurrection of Jesus Christ, the Son of God.

God promises to rescue His Church just as He rescued the righteous at the Flood and at Sodom and Gomorrah. Some reading this will never die. Instead, they will be air lifted out of this broken world by the Bridegroom, who will rescue His Bride. And what lies ahead for His Church is glorious beyond words. What lies ahead for the wicked is unthinkable. *In the end, they do not win!*

Look Up and Not Around

I have said this for years—for decades. If we look around we will be depressed. If we look up we

will have hope; we will be able to cope; we will have joy in the midst of earth's sorrow.

For some reason, God has allowed YOU to understand the grand plan outlined in the Bible. Better days are ahead. Actually, glorious days are ahead.

"For the Lord himself will descend from heaven with a cry of command, with the archangel's call, and with the sound of the trumpet of God. And the dead in Christ will rise first; then we who are alive, who are left, shall be caught up together with them in the clouds to meet the Lord in the air; and so we shall always be with the Lord. Therefore comfort one another with these words." (1 Thessalonians 4:16-17)

Join the Prophecy Roundtable "Live"!

Once or twice a month, join the roundtable live on YouTube and Facebook. Amir Tsarfati, Jan Markell, Pastor Barry Stagner, and Mike Golay discuss prophecy-related issues and take your questions live. Sign up for the e-newsletter of Behold Israel and be kept apprised of the dates! Go to the Home page at www.beholdisrael.org. They are always posted, post-roundtable, to our website, www.olivetreeviews.org under video, and to our YouTube channel and Rumble channel.

Most report to us that they can hardly keep up with all the news and information that breaks daily and hourly! Much of it has biblical implications.

Much of what is happening is a reminder that the hour is late. With each presentation by these four prophecy leaders, a special topic is tackled and analyzed. Then, we invite your participation. The next Roundtable is Saturday, October 15th, 12 Noon, CDT on the *Behold Israel* YouTube channel.

Baal Worship Resurrected?

By Jan Markell

I often write articles titled "I Never Thought I Would See the Day!" Well, the resurrection of ancient Baal, along with literal Baal worship, was

the creature down and then all of the human performers gathered around the giant bull and literally began to bow down and worship it.

a scene you had to see to believe. Since magazine readers cannot see this Baal worship, I have posted the video on my website, www.olivetreeviews.org, then to "News", then to "Spiritual Deception."

Blatant Baal Worship

They aren't even trying to hide it anymore. During the opening ceremony of the Commonwealth Games in Birmingham, England on July 28th, a giant mechanical bull with glowing red eyes, was rolled out into the center of Alexander Stadium. A total of 72 nations participate in the Commonwealth Games, and so this opening ceremony was being viewed on countless television screens all over the planet.

The "hero" of the opening ceremony, a character known as Stella, calmed

Fooling the Masses!

The symbolism in this "ritual" was well planned in advance, and the organizers knew exactly what they were doing. But, they were also counting on the fact that the vast majority of the general population would not consciously catch on to what was actually taking place.

The bull has always been a symbol of an ancient deity from the Middle East known as "Baal". In artistic depictions and archeological finds, Baal took the shape of a bull or ram and had associations with fertility.

In this presentation, the arena was staged with what looked like a ring of lava around the arena, and smoke and fire bellowed from the bull. It is clear that Satanists are no longer hiding in the shadows, but openly giving homage to Satan in rituals on national TV for an international audience.

Black Sabbath Performs: Could it Be Any Clearer?

It was being reported that music from Black Sabbath was being played as the colossal beast was being brought out. It would have been bad enough if they would have

OLIVETREEMINISTRIES

stopped there, but all of the human performers gathered around the bull and literally start bowing down to it.

A Woman Rides the Beast

After the bull is calmed down, at one point three women are lifted up to ride on top of the bull. Was this symbolic of the words in Revelation 17?

3) Then he carried me away in the Spirit into the wilderness. I saw a woman sitting on a scarlet beast which was full of blasphemous names, having seven heads and ten horns. 4) The woman was arrayed in purple and scarlet, and adorned with gold and precious stones and pearls, having in her hand a golden cup full of abominations and the filth of her sexual immorality. 5) On her forehead a name was written:

MYSTERY,
BABYLON THE GREAT,
THE MOTHER OF PROSTITUTES
AND OF THE ABOMINATIONS OF
THE EARTH.

6) I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus. When I saw her, I marveled greatly.

A Spectacle Loved by the Global Elite!

The elite love to use opening ceremonies, awards shows and other public spectacles to mentally and emotionally condition us. And when they pull stunts like this, they

know that only a very small fraction of the general population will ever object. And very few will understand the deeper meaning at play here either!

There is also a Tower of Babel on the premises. Nimrod is a type of the Antichrist, so it is clear that this entire ritual was demonic. And Prince Charles was an honorary attendee of the event. *Ultimately, it was a massive celebration of globalism.*

In my opinion, this is one of the most prominent signs of the times here in 2022. Surely, evil is waxing worse and worse (II Timothy 3:13) and the participants in this ritual are calling evil good (Isaiah 5:20). The time of celebration around this bull had to be similar to the children of Israel worshipping a golden calf.

You have to see this one to believe it, and even then, it will take some time to process all the ramifications of what appears to be deifying Baal in the summer of 2022!

The Fog of the Twilight Zone Has Entered the Church

By Jonathan Brentner

(Note from Jan: I am reproducing a portion of an article by author Jonathan Brentner as he highlights one of my very serious church concerns. Understand that the Church is not going to make the world a utopia. The popular theology known as Dominionism, would state that it is, but that is a serious false teaching.)

Walking into many churches today is also like entering a Twilight Zone. There we hear a message that life is all good and we can experience our "best life now." Five-year plans are made without even a fleeting thought of Jesus' imminent appearing or the dark threatening clouds on the horizon.

It's like a church shrouded in fog so that it's unaware of the outside world and the many prophetic signs telling us that we live in the last days.

I am reminded again of Kari Jobe's song: *Amen (Simple Gospel)*. It begins with wonderful words affirming the Gospel, but ends with a false message of hope, which exemplifies the disconnect with reality that we find in far too many churches today.

The words above come from the last stanza of her song:

*The church will arise
With power and love
Our cities will know
The glory of God
The future is bright
There's nothing to fear
Revival is now
The Kingdom is here*

Such sentiment sounds great, but it's not what the Bible teaches.

First, the song makes the church the object of our hope rather than Jesus. Many today believe that the church will so change the world that it, not Jesus, will initiate the Millennium. The Lord thus returns afterward rather than before this time of peace.

Even pastors that reject such teaching, communicate a message exalting the church as our refuge during perilous times.

Second, the words quoted above from the song do not agree with what the Bible says about the day in which we live. Biblical prophecy pictures the last days as being awash in lawlessness, deception, extreme wickedness, corruption, and violence. This is today, and it's all leading to the rule of the Antichrist.

The words to the song tell us that "the future is bright." However, I live in a country that's screaming

The Fog of the Twilight Zone Has Entered the Church

continued from page 8

for God's judgment. A nation led by fanatical advocates of abortion up to birth, and all that the LGBTQ stands for surely invites a stern response from God.

Adding fuel to the fire, Biden recently advocated the dividing of Jerusalem and a radical two-state solution for Israel with 1967 boundaries that will

leave the nation defenseless against its foes.

So far, the Lord has been remarkably patient with the U.S.

The Slippery Slope to Tyranny

By Jan Markell

The world is groaning in every category, *and it lacks a leader*. Biden, Macron, Trudeau, et al, have all demonstrated behavior that resembles the Keystone Kops. So *what's ahead?*

I hear from a lot of people! *Here are some of the scenarios they see playing out in the near term*. They can't all be right, but here's a brief run-down of what many suggest is ahead of us. You may disagree with one or all points, but millions of people believe one of the following scenarios will play out.

1) *A great awakening is coming*. A tremendous revival. The days of Joel 2:28 are coming when God pours out His Spirit upon all people. This will precede the Rapture of the Church.

2) God is long suffering and patient

and wants all to be saved, thus we have decades left to share the gospel and rescue the lost. Let's occupy until He comes and not be so heavenly minded that we are no earthly good. We've heard about the Lord's return for decades yet nothing happens.

3) In America, the forthcoming elections in 2022 and 2024 are going to turn America around. We can and will make America great again. Prosperity will return. Life will go back to normal. *With the right people in office, earthly government works*.

4) The church is being perfected and tried by fire. But, she will prevail and the church will correct the problems on this planet, fulfilling "On earth as it is in Heaven." The church will have

continued on page 10

The Slippery Slope to Tyranny

continued from page 9

dominion over the whole earth and then Christ can return. (Kingdom Now/Dominion Theology)

World Governments Are Collapsing

Sorry, folks, but points one through four are not what I see outlined in the Bible! World governments are in a predicted state of collapse thanks to the meddling of the globalists. They are causing instability, famine, war, poverty, and obsessing on *the fake news called climate change*.

The capitals of the world are preparing for the Antichrist. Some are aware that such a man-with-a-plan is on the scene, though hidden. Prince Charles even stated that “trillions of dollars will be at his disposal” (to make things right in the world.) Does Charles have a name in mind? Perhaps.

Living When Truth Does Not Matter

Former White House correspondent Bill Koenig writes in his weekly e-newsletter, “The late conservative journalist and pundit Charles Krauthammer said once, ‘*We are living at a time when truth doesn’t matter.*’”

Koenig continues, “We see this in the liberal media every week and with many of the Congressional Democrats. They are dishonest and/or incapable of processing the truth, denying truth because the

end justifies the means, or they are totally deceived. *A spirit of delusion is prevalent in our county today.*”

And for this cause God shall send them strong delusion, that they should believe a lie. (2 Thessalonians 2:11)

Harbingers of Total Tyranny

Journalist Bill Wilson says *we are on a slippery slope to tyranny*.

He writes, “The FBI raid of Donald Trump’s home should be a wake-up call to all Americans that the Democratic Party leadership is intentional about re-imagining the homeland into a statist nation.

“From David Koresh and Elian Gonzalez during the Clinton years, to IRS treatment of conservative and Christian organizations, to the Russian influence scam, to spying on Trump’s campaign and the news media under Obama, Democrat regimes increasingly have abused government power.”

Wilson concludes, “This week, people should at least consider that the FBI raid on Trump’s home and the passage of the misnamed *Inflation Reduction Act of 2022* are harbingers to the tyrannical agenda of the extreme left.”

But evil men and seducers will wax worse and worse, deceiving and being deceived. (2 Timothy 3:13)

The Slippery Slope to Tyranny?

continued from page 10

Curtain About to Rise

Let me re-emphasize what I stated in the opening article to this magazine: The stage is being set daily for a drama that will be the story of the ages. The players are on the stage right behind the curtain. Our Heavenly Father is the writer, director, and producer of what is to come. An angel is holding a trumpet with his hands clasped around it. The Bridegroom has had enough of the foolishness of Godless men and is calling His bride, the Church, Home very soon.

There will, indeed, be a revival, but it will be during the seven-

year Tribulation, the *Time of Jacob's Trouble*. The Four Horsemen may be out of the barn soon. They'll appear over a ridge once the Church is called to meet her Bridegroom.

The Disappearing Act is Next

I believe the scenario I represent does not allow time for "turning things around," a "great awakening," "making America great again", or for the church to crush the evil of our day (Dominion Theology).

Instead, the church is going to suddenly disappear and fade off the scene! *So, soon and very soon, we are going to see the King.*

Prophecy in the News

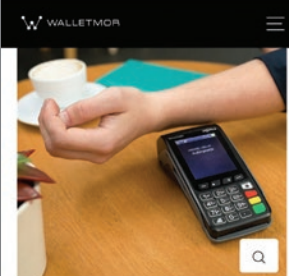

Tracking Chips Into Humans!

We are, indeed, trending toward the Tribulation. *Prophecy Newswatch* reports that the latest highly controversial technology/policy that the *World Economic Forum* (WEF) has set out to normalize is the idea of implanting tracking chips into humans.

It wasn't that long ago that those speculating on a future where this is happening would get

dismissed as conspiracy theorists, but now the world elites' most vocal outlet is predicting that chip implants will eventually become just a commodity.

And the WEF makes a case that implanting chips into children could be viewed by parents as a "solid, rational" move. All of this crops up in a blog post on the organization's website dedicated to the future of augmented reality

Mastercard Launches Tech That Lets You Pay With Your Face or Hand

CNBC reports that the company launched a program for retailers to offer biometric payment methods, like facial recognition and fingerprint scanning. At checkout, users will be able to authenticate their payment by showing their face or the palm of their hand instead of swiping their card.

To sign up on Mastercard, you take a picture of your face, or scan your fingerprint to register it with an app. This is done either on your smartphone or at a payment terminal. You can then add a credit card, which gets linked to your biometric data. Mastercard says all the data customers enter into its system is encrypted in such a way that ensures their privacy isn't compromised.

Digital Dollar on the Horizon

Joe Biden's executive order #14067, due to be implemented in mid-December, could change the way we use money very quickly. Some are calling this "the most treasonous act in U.S. history" and the creation of Central Bank Digital Currencies, or

CBDC, as "communism in its purest form," encouraging Americans to "stay awake."

Economist Jim Rickards says, "Thanks to Section 4 of Biden's Executive Order 14067, calling for urgent research into developing the digital dollar, I believe the U.S. dollar, the standard of the world since 1792, will be REPLACED by a new currency, the digital dollar.

"I call the digital dollar 'Biden Bucks' because I want him to take full credit for what I consider to be crimes," says Rickards. "This is not like the money in your online bank account. No, this is new and different. Every digital dollar will be a programmable token, like bitcoin or other cryptocurrencies. But there's a big difference—cryptocurrencies are decentralized digital currencies. Instead, if it plays out the way I see it, Biden Bucks will have the full backing of the U.S. Federal Reserve. They will replace the cash ('fiat') dollar we have now. They will soon be the sole, mandatory currency of the United States."

We encourage you to consult with your financial advisor on the coming economic tsunami ahead in America and the world. Antichrist's system is in the making.

By Pastor Mark Henry

\$14 – Book – softbound – 243 pages

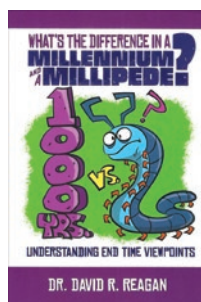

As society has caused an upset in almost every part of our lives, it has most definitely affected our families. Fatherless homes and social influences have damaged the fabric of men. Being a "real man" is being a man of God. He hears God's call, embraces Jesus as Lord, lives for God's purpose, stays focused, acts

with duty and responsibility, practices godly character, uses his strength to protect others, works with diligence, respects authority, cheers and cultivates his family, and advances the work of God.
