The Set-Up: Ten Indicators the Hour is Late

By Jan Markell

What a privileged generation we are! We are watching the set-up for the end of the Church Age. Things the Bible foretold are unfolding before us as we continue to trend towards the Tribulation. Scripture said many things would happen that would be stage-setting incidents. I never expected to get the panorama I am seeing today.

Consider just these ten indicators...

- ***The world lacks a leader.*** A few think they are a global leader, such as China's Xi Jinping, Russia's Putin, America's feeble Joe Biden, and France's Emmanuel Macron. None

of them even come close! The world is longing for a leader, as these

above-named fools embarrass their respective countries.

- ***The rise to prominence of a globalist outfit—the World Economic Forum (WEF)—that is paving the way for a one-world government.*** The Antichrist will rule the world, very likely, under the

umbrella of this organization, or one just like it. The WEF has had 50 years to become a sophisticated collection of global leaders. *It has been primed for a half-century to rule the world.*

- ***The Bible prophesies a coming cashless society.*** We now learn of the coming Central Bank Digital Currency that will be thrust upon the world in 2023 or 2024. Cash will eventually vanish. Digital currency will be a genuine nightmare, as it will be a tracking device. All privacy will completely vanish.

- ***The last three years, the frightened masses chose to trust in government*** due to fear of a health crisis and pandemic. Government promised to take care of them and to keep them well. People blindly and foolishly complied! Too many didn't ask questions. Even though the lies told are now revealed, many feel it best to trust in authoritarian voices as many people are sheeple.

The Set-Up: Ten Indicators the Hour is Late

continued from page 1

• ***We now have artificial intelligence that is as intuitive and as intelligent as humans.*** The Antichrist will tap into this in order to rule his empire. The recent unveiling of ChatGPT is stunning. It can write a thesis or a sermon in ten seconds and *put a spin on it that is distinctly you!*

• ***There is civil unrest and lawlessness in two-dozen nations.*** It requires too much space to list them all! *This is a global rebellion.* The spirit of the Antichrist is alive and well—preparing the way for the “man of lawlessness.”

• ***Wars and rumors of wars are stirring.*** There are dozens of global conflicts. Nations such as China, Russia, North Korea, and Iran, are stirring the war-like pot. The Ukraine catastrophe could spread, thanks to Putin’s madness. Some of these

are nuclear powers, and a few are threatening to use nukes.

When a bully threatens, believe him! Most military analysts tell us that WWII is now almost a certainty. *We do not know if this is a pre-Tribulation event, but it could be.* We do know global war is a part of the Tribulation.

• ***The days of Noah haunt us!*** Japan has created mice from two

fathers. I’ll spare you the biological details. Other aberrations are celebrated today. Don’t you know that men becoming women is a simple transition?

• ***There is a stunning rise in darkness as predicted in II Timothy 3:13.*** Be it at the Grammys, the Commonwealth Games, Hollywood in general, or during the Super Bowl halftime, Satan is celebrated. He is center stage! At the Grammys, participants bowed down and worshipped a Satanic horned creature! (see page 5)

• ***There is Temple fever among the religious in Israel.*** The Temple Institute has everything ready to go. Five red heifers arrived last fall from Texas, and four remain perfect enough for Temple sacrifice, as outlined in the book of Numbers. This is the Temple that the Antichrist will defile when he turns on the Jewish people.

Author J.B. Hixson wrote the following, with which I totally agree:

“We are living in unprecedented times, prophetically. The stage is being set like never before as we draw closer and closer to the Rapture.

Prophecies that seemed far-fetched, even impossible, are now easily understood.

How can the Antichrist possibly

The Set-Up: Ten Indicators the Hour is Late

continued from page 2

track every human being on earth? That is where digital ID's and central bank digital currencies come in.

How can the Antichrist die and come back to life? That is where artificial intelligence and the transhumanist bio-digital convergence explain the mystery.

How can the Antichrist desecrate the temple in Jerusalem, when there

was no Israel on the world map for more than 1,800 years? The re-establishment of Israel as a nation in 1948 answers that question."

Our generation is watching the set-up. What a privilege. What a challenge. What did you think the last days would look like? How about just like the spring and summer of 2023? It's time we be about our Father's business!

Darkness Rising

By Jan Markell

This is a disheartening article to write, to be honest. We see darkness rising, *yet we are called to be salt and light to a decaying world*—even if the world pushes back. Let's try to counter the enemy wherever we see his presence.

The world is imploding as we trend toward the Tribulation. *The devil is trying to strengthen his grip on the world, the church, and on billions of people.* Still, to see people literally worshipping the dark side takes one's breath away.

The Grammys Lead the Way

Some of what I review in this article is not new news to you. This year the Grammys included a literal Satanic performance by Sam Smith and Kim Petras. The song was titled "Unholy", *Sam Smith at 2023 Grammys* and included Sam Smith in a red devil costume and hat with horns surrounded by performers—some in cages—wearing red costumes and dancing seductively. Flames surrounded them. The performance was intended to be Satanic. Viewers would think they were peering into hell.

The Super Bowl Lives Up to its Reputation

The 2023 Super Bowl halftime lived up to its outrageous reputation. It opened with the filth merchant, Rihanna, descending from the sky, surrounded by what could be

described as dancing fallen angels! This generated more complaints than the debacle at the Grammys.

Commonwealth Games Infect the World

The Commonwealth Games last July in Birmingham, England, had 72 nations participating. Then Prince Charles was an honorary guest. It included ritualistic Baal worship in plain sight! But before that, dancers placed fingers on their heads to represent Satanic horns as they were announcing the coming of the horned beast!

The ceremony was blatant Luciferian worship. A woman eventually climbed a gigantic bull and the crowd celebrated the woman riding the beast—right out of Revelation 17. I wish I were making this up, but I am not. This was seen by tens of millions of people around the world.

Gotthard Base Tunnel Celebrates Goat Man

We can't leave out the Gotthard Base Tunnel ceremony of 2016. This was attended by Europe's most powerful leaders. The opening ceremony was a dark, disturbing, and weirdly Satanic ritual.

The Gotthard Tunnel is the world's longest tunnel project in history. It goes through the Swiss Alps and took 17 years to complete. It is

Darkness Rising

continued from page 5

considered the symbol of European unification, but does this require honoring Satan??

During the eight-hour ceremony, eventually a goat man, or Baphomet, appears and is the star of the show! People bow down to him

The Goat Man at Gotthard Base Tunnel Ceremony, Switzerland

once again. At the end of the long ceremony, *the goat man is declared "king of the world."* This, too, was televised to the world.

This is What They Think of God

Europe threw God out of their continent decades ago, and they now seem to delight in honoring dark images! By creating overtly dark and occultic ceremonies, the elite tell the world, "This is what we believe in, this is what we think of you, and this is what we think of God." On the day when they will be held accountable, we may hear their mourning and their regret!

SatanCon 2023

The largest Satanic gathering in history will take place April 28-30 in Boston, MA. Attendees are promised a "weekend of blasphemy and remembrance." Years ago, maybe a few fringe weirdos would get together for something like that. But this year's "SatanCon" was completely sold out six weeks in advance. This event reflects the tremendous evil that is rapidly growing all around us. Hundreds, if not thousands, will gather to

The Spirit of the Antichrist is Fueling This

This unbelieving element is racing towards the kingdom of the Antichrist. *It is the spirit of the Antichrist that inspires these glorifications of*

darkness. You would not like to be present when they are cast into eternal darkness and the eternal lake of fire. Finally, they will no longer be celebrating. They will no longer be mocking. *They will be wailing and begging for a second chance.*

I haven't even described the Fox TV production in 2016 and 2017 titled *Lucifer*, that painted him as a really good guy! Or, rapper Lil Nas X grossing out some of his closest fans by sliding down a pole to hell to give Satan a lap dance. I haven't described another cable production titled *Little Demon*. I haven't described the after-school Satan clubs designed to counter Child Evangelism Bible classes in the schools! *And so much more.*

Lift Up a Standard Against This!

But even as the shadow of darkness blankets our landscape, there are an ever-increasing number of *embassies of the kingdom of light.* We read in the Bible that there will be unspeakable darkness and a great falling away in the last days before Christ returns, but most of

Darkness Rising

continued from page 6

us probably never thought we would live to see a day quite like this.

The Bible says that "when darkness comes in like a flood, the Spirit of the Lord will lift up a standard against it" (Isaiah 59:19). The Lord will cause our lives to impact the rampant evil surrounding us! *This may be one of the very reasons God has allowed*

us to be born for such a time as this.

I'm trusting that you will push back against the darkness with me! Satan gets some glory now, but remember his ultimate destination: An eternal lake of fire for him and all his angels and cohorts, where their diabolical celebrations will come to an ignominious end.

I'm Taking a Trip

By Sandy Tuzinski

NOTE FROM JAN: I have used Sandy's poem to close several speaking engagements. The response has been so overwhelmingly positive that I am sharing it with our magazine audience!

I'm taking a trip to a foreign country—
a country I have never seen before!
This will be so much different than previous trips.
I won't need to pack any clothing—no glasses, or medications.
My passport has been purchased with a great price.
The tour guides on this flight will be courteous and swift.
I will pass through security like a breeze.

I understand this is a round trip and there will be a layover celebration;
then I will be returning with an enormous tour group made up
of many horse-riding folks!

There is still room on this flight, and I hope you will be coming, too!
You better hurry, as standby is filling up fast.
So is the red-eye, and time is running out!
Be ready to depart in an instant,
and keep watch on the overhead screens.
You do not know what time or what gate we will depart from!

A new name will be given to me in this new country,
so, my name tag will change.
Don't worry—you will still be able to
recognize me by my beaming smile!

Then we which are alive and remain shall be caught up together with them
in the clouds to meet the Lord in the air, and so shall we ever be with the Lord.
Comfort one another with these words.

Foreshadows of the Time of Jacob's Trouble

We know that the Tribulation is called the “time of Jacob’s trouble”, outlined in Jeremiah 30. That time of terrible catastrophe on planet earth for seven years, with the church absent, occupies much of Revelation. Israel will trust in the Antichrist. At the halfway point of the Tribulation, he turns on them and tries to destroy them as a people.

*No, that time period has not started now, but it would seem like Israel is in Tribulation-like turmoil even now. Many of us have watched Israel in recent months and have come away puzzled by all the chaos. Amir Tsarfati, founder of Behold Israel, states, “**Israel is facing the most dangerous reality since the Yom Kippur war in October of 1973.**”*

Amir writes in a recent online newsletter, “I’ve been carefully examining the situation in Israel over the past three years, ever since we entered into what seems to be never-ending political chaos.

*“My conclusion is very simple: The progressive, liberal, deceptive, and diabolical demon has completely taken over a large portion of Israeli society, to the degree the Bible calls--**STRONG DELUSION!**”*

“For years I’ve struggled with the portion from Zechariah 13:8-9 where it says that two-thirds of Israel will be cut off and die and the last third

the Lord will bring through fire and refine them. That’s the one third that will survive the looming Tribulation, known also as Jacob’s trouble.

“That’s the one third that will be there to welcome the Messiah’s return as Zechariah 12:10 describes. They’ll mourn, cry, and repent!”

“Based on what I see today, if the Antichrist rises to power tomorrow, I believe two-thirds of Israel will be easily deceived to the point of eventually receiving the Mark of the Beast.

“Interestingly enough, even some major Rabbis can see the coming Tribulation. Now, if the Tribulation is so close, can you imagine how much closer our Rapture is!”

“Yes, the fig tree is blooming! Israel is back in the land! However, only the physical restoration has taken place. The spiritual restoration will be painful and tragic.”

Note how quickly Israel is collapsing, America is drifting away from her defense, and how Russia, China, and Iran are closing in. The significance of this is of biblical proportion.

Indeed, He who keeps Israel neither slumbers nor sleeps (Ps. 121:4), so all that is transpiring does not catch God by surprise.

There is only one city God asks us to pray for—Jerusalem (Ps. 122:6). That is the city to which

Amir Tsarfati

Foreshadows of the Time of Jacob's Trouble

He is returning and that is the city from which Jesus Christ will reign in the Millennium.

In the meantime, the city—and all of Israel—is in turmoil as they await His return.

As it concerns the lateness of the hour, Israel is the clock, the city of Jerusalem is the minute hand, and the Temple Mount is the second hand. And, it is one-minute to Midnight.

Understanding Our Times Can Visit Your Church or Conference

Our ministry representative, Ken Mikle, has traveled America on behalf of this ministry for two years, ministering in churches and conferences. His topics have included signs of the times, apostasy in the church, and many current event issues from a biblical perspective.

Ken is a security consultant and retired law enforcement officer. He would make an excellent watchman on the

wall for your church or conference. Write team@olivetreeviews.org or call our office M – F CST: 763-559-4444.

Olive Tree Ministries covers many of his travel expenses. A free-will offering or honorarium is appreciated for his presentations. To see videos of Ken's presentations, visit www.olivetreeviews.org, then go to Conferences/Events, then to *Ken Mikle: Understanding Our Times*.

YouTube Counterfeits

All of social media can become a den of thieves, with people impersonating others and even asking for money on behalf of legitimate ministries. The problem is most severe on YouTube. *But we go to extensive work to provide a video version of our radio program so that you may see and retain much more content.*

Well over 500 of our video radio programs have been stolen and are

impersonating Olive Tree. How can you tell which channel is legitimate? By the number of subscribers. We have almost 190,000 YouTube subscribers. The thieves, and there are more than one, have just a few hundred.

You can also view the video version on our website under "Radio", on Rumble, on His Channel Christian TV, on our other social media platforms, and on Lightsource.

The Great Divorce

By Jan Markell

I recently read a passionate article by Jonathan Brentner on the divorce of Rapture theology from the gospel and from pulpits. I so resonated with the main points he made. The absence of this topic—and related topics—from our churches today is a great tragedy!

When Rapture discussion ended some thirty years ago in the church and elsewhere, so did discussion of the Millennium, Israel's key end-time role, the trend toward the Tribulation, the building of the third temple in Jerusalem, the prominence of end-time deception, the rush to a cashless society and one-worldism, and so much more! It became almost impossible to understand the times from a biblical and prophetic perspective! *And right at a time when people began asking earnest questions.*

I am taking a few talking points from the Brentner article below, and then I would like to comment to close this article.

The Divorce

Somewhere in the past, a tragic divorce occurred; theologians decided we must separate the return of Jesus for His church from the proclamation of the gospel. The

results of this untimely divorce have led to a dearth of understanding among believers regarding Jesus' appearing and the joyful anticipation that comes with such awareness.

Confused believers hear that they will surely die rather than meet Jesus in the air, which directly contradicts the New Testament in passages such as 1 Corinthians 15:51 and 1 Thessalonians 4:17. The Apostle Paul believed there would be many saints alive at the time of the Rapture, but many preachers today disagree with him on this matter.

The divorce of the Rapture from the gospel has resulted in a near blackout of teaching about our "blessed hope" in churches today. This negatively impacts new believers as well as seasoned saints, as it leaves them ill-prepared to live in a fear-ridden society because such teaching provides no prophetic context into which they can place the violence and lawlessness of our day or the push for a New World Order.

Did We Miss the Rapture?

The new converts in Thessalonica were so fixated on their soon departure from the earth, that when some in their midst died, they

OLIVETREEMINISTRIES

The Great Divorce

grieved unnecessarily thinking they would miss out on the Rapture (1 Thess. 4:13-19). In response, Paul emphasized the primary place of the “dead in Christ” during the Rapture, telling his converts that Jesus would resurrect them first at his appearing (4:16).

Another sorrowful result of this divorce is this: It takes the eyes of believers away from their ultimate hope at a time when they need such a focus. Instead, their eyes remained focused on earthly aspirations.

Very few pastors talk about what happens at the moment Jesus returns for His church (1 Cor. 15:51-55; Phil. 3:20-21; 1 Thess. 4:16-17). Even those that believe these things, never ever mention the believers’ hope of immortal bodies for fear that talking about the Rapture might hurt attendance.

What Happened to My Church?

You can find Brentner’s writings at his blog, www.jonathanbrentner.com, and search for this full article. As I wrote in a previous article of mine titled, “What Happened to My Church?”, someone made a conscious decision some 30-40 years ago that we should have a “new way of doing church”, although many members and attendees agreed there was nothing wrong with old

ways of doing church. Terms began being used like “purpose-driven,” “seeker-sensitive,” “church-growth movement,” “postmodernism”, “emergent”, and more.

People started to hear about love, unity and tolerance. We must be known for what we agree on, not what we disagree on. Everything and everyone must be accepted. Aberrations must be accepted. Sin must be accepted. People loved having their ears tickled. They would be encouraged to “feel good” and have their self-esteem built up. Sound doctrine was being set aside.

The saving of souls was being set aside for the entertainment factor and social justice causes. It seemed that many in the church no longer cared that so many were on their way to hell! *What an offensive, intolerant thought.* But clearly, sound doctrine will separate and divide, so we must tread lightly in that area. *Relevant issues have vanished from most pulpits.*

Here in 2023, all of this would be called “wokism”! And a marvelous cure for wokism would be a focus on the fact that the King is coming—perhaps today. *Pulpits that are focusing on this glorious good news are growing exponentially and don’t have to worry about church growth!*

OLIVETREEMINISTRIES

A Pastor's Appeal

NOTE FROM JAN: Pastor Jack Hibbs is a dear ministry friend and has, in the minds of many, become "America's Pastor." He sent out the following appeal right after the tragic school shooting in Nashville. I trust many heed his words.

Was the act of insanity in Nashville an act of random murder or a targeted act against Christians? The answer to that question is yet to be known regarding the Nashville Christian School shooting victims.

But this we know: it should be evident to all who are keeping a finger on the pulse of our nation that we have come to a crossroads that will most likely determine the destiny of the United States.

The horrific and senseless attack in Nashville, Tennessee is a commentary on the soul of America, and it is clear that America's soul is sin-sick.

Here's why: the gospel has been rejected by our government, the Word of God has been rejected by "woke" pastors and churches, and our nation has loosed itself from the moorings of God and His truth.

The Bible tells us that God's grace is what protects us and sustains us, and without His protection, we have no safety whatsoever. God has warned us that if we push Him away,

Pastor Jack Hibbs

we leave ourselves unprotected and vulnerable to the evils of the human heart and man's fallen nature.

The only answer to what's happening in our nation is

not more laws, and certainly not more gun control, because laws cannot change the human heart. Only Jesus Christ can do that.

Our nation has certainly lost its way, and we may be lost as a nation, even as our enemies are at the gates. However, as a people of faith, we can choose to turn back to our nation's beginnings and to Him who is mighty to save.

As a people, we must receive the conviction of sin and offer to God a heart of repentance so that we might turn to Jesus Christ as Lord and Savior.

If we do not turn to Him, we will see more of what we're watching today, and even worse.

By God's grace and invitation, we can stop this. Together as a people, let us rend our hearts, asking God to forgive us of our sins and pray that God would forgive the grievous sins of our nation.

I Wish We'd All Been Ready

By Jan Markell

When I first became interested in eschatology, or the doctrine of the last days thanks to the preaching in my church, that was the title of a very popular song! The musicians lamented that clearly the Rapture had taken place and many were left behind. Or at least *that would be a future scenario!*

A completely different world is coming—one that, for a time, will not contain a single, genuine, Bible-believing Christian. Although everyone left behind will be an unbeliever, not everyone will react to the new world order in the same way.

While many will be perplexed at “the disappearance,” others will have been told about this event by loved ones. And these people want tools to leave behind for those “left behind.” Those still here will ask, where did everybody go? What am I to do now? How can I be reunited

with those who are missing? What’s about to happen on earth?

We offer two outstanding products for you to leave behind for friends and family who are going to miss the Rapture. One is a book titled, “*Missed the Rapture?*” by John Balch and Dr. James DeYoung. This is a 378-page book in our online store and listed in this magazine on page 19.

The other is the outstanding DVD we have carried for two years and is produced by *Prophecy Update*, “*After*

the Rapture -- Left Behind.” Find this on page 20.

Many will get saved during this tumultuous time, thanks to your witness before the Rapture, and to the outstanding items that are left behind after this momentous event. It will be the greatest “revival” in all of history.
