The Day That Changed the World

By Jan Markell

The world has been in an uncontrollable rage since October 7, 2023. We are witnessing global *Israel Derangement Syndrome* and renewed anti-Semitism more brutal than the 1930s. And towards whom is the rage directed? Towards those who were invaded, slaughtered and kept as hostages.

Imagine worldwide hatred against innocent victims and global sympathy for barbarians because Israel supposedly stole land. So, now it is occupied land—the provocation for the deadly pogrom.

God's land is not occupied territory.

Jesus did not live in occupied territory. God owns it (Leviticus 25). He permanently gifted it to the Jews (Genesis 15).

The World Calls Evil Good!

Following the attack, the logic said that sympathy would eventually shift towards those who suffered the unspeakable blow, since many victims were women, children, and the elderly. Apparently not. The world stage featured, over several weeks, millions of people in global demonstrations on behalf of the

terrorists—*Hamas!* *Talk about a classic case of calling evil good (Is. 5:20).*

For months, the world was given a sickening overdose of, "From the river to the sea, Palestine will be free." Participants in global demonstrations appeared to be many mind-numbed young robots, most not knowing any facts on the ground. Facts didn't matter.

This was a conflict of the oppressed versus the oppressor. The so-called Palestinian was the classic representative of the world's oppressed. Israel was the Goliath who needed to be punished and exterminated as all oppressors must be.

Brainwashed Agitators from the Tik Tok Generation

The demonstrators, in two-dozen nations, are ignorant concerning the history, as well as the geographical and political implications of the Mideast. *What the Bible says is irrelevant.* The rabble-rousers know nothing of Israel's endless concessions over the decades to her Islamic neighbors, all in the

name of peace.

They know nothing of the 2,000 years of wandering, persecution, and endless attempts by Kings, generals, Fuhrers, potentates, and presidents, *to fulfill Psalm 83 and wipe out the very memory of Israel's existence.*

The brainwashed agitators are feeding off of social media propaganda, swallowing the lies like they were candy, and impressing their friends with how tolerant and justice-minded they are.

They are also victims of Marxist indoctrination in the Western world's education systems. *They are persuaded to see red—and now they also see Hamas green.*

They are naïve and cannot comprehend that those they are championing, celebrating, and defending, would obliterate them in a heartbeat, in just as brutal a manner, as they incinerated Israelis on October 7, 2023. And again, for no reason other than to exercise their barbarism against the enemies of Islam.

Befriending Monsters

Those Israelis in southern Israel were championing the people of Gaza! The Israelis were there to benefit the Gazans—to employ them, take them to appointments, and more. They lived and believed the liberal lie: *That we can befriend monsters*

and make them like us. That Islam is not so bad, in fact. We can all get along.

Rushing Towards the Time of Jacob's Trouble

So, let's look at this from a spiritual perspective. We are in a run-up to the Tribulation—the *Time of Jacob's Trouble*. The Jews are the primary player in that horrific drama. Believers are enjoying heaven. The Jews are Jacob; believers are the bride.

Satan longs to defeat God's end-time plan, which seriously trounces him. Whether it's Sennacherib, the King of Assyria, or Haman, from Persia, they plot and scheme. Whether it is Hitler or the Iranian mullahs, they never cease their plot to eliminate all Jews. The persecutors will come and go, *but the persecution will remain until Jesus returns in the*

Second Coming!

As the people of Israel get more and more war-weary, as they tire of relying on fences that fail and agreements that are broken, they will accept the cunning lies of a man who comes on the scene right before the start of Daniel's 70th Week. He will overwhelm them with promises of "peace and security" (1 Thess 5:3).

They can tear down their walls, thanks to his friendship! What a

The Day That Changed the World

smooth talker. What a man who speaks healing words. What a peacemaker!

What a devil.

They sign a fateful agreement as outlined in Daniel 9:27, not realizing that Mr. Fix-It will eventually turn on them in an attempt to fulfill Satan's plan of the ages: the extermination of every Jew, to foil God's end-time plan. Others had only partially succeeded. This man will be convinced he can finish the job.

The Genie is Out of the Bottle!

What happened on October 7, 2023, is not just "one more Mideast conflict." It was inspired by demons, and it unleashed demons on the world. The perpetrators were demon-possessed. The facts on the ground are clear evidence of that. In the natural, mankind cannot dream up such brutality. Satan can.

A genie was let out of the proverbial bottle. Something ominous spread all over the world in October of last year. It has apocalyptic overtones. You can't put it back in the bottle! *Our world was forever changed.*

And, all of this hatred against a people who have been a blessing to the earth! A people who gave us the Prophets, the Apostles, the Messiah; in fact, salvation itself is of the Jews (John 4:22).

Spitting in the Apple of God's Eye

In spite of such blessings, there are entire denominations that are standing with those who perpetrated the worst massacre of the innocent in recent history. They worship social justice. They teach that the church is the new Israel (Replacement Theology). They major in minors and lead the flock astray. They fly rainbow flags in front of their church. They spit in the "apple of God's eye" (Zech. 2:8).

I close this article with something I inserted in my book about Holocaust survivor Anita Dittman—*Trapped in Hitler's Hell*. It is a quote from Dr. Natan Kellerman:

"There is something unprecedented about the European Holocaust. For the first time in the bloodstained history of the human race, a decision was birthed in a modern state, in the midst of a civilized continent, to track down, register, mark, isolate, dispossess, humiliate, concentrate, transport, and murder, every single person of an ethnic group as defined by the perpetrators.

"This was targeted at an ethnic group who so generously contributed to the culture of the world; to a people who have borne the brunt of enmity toward them because they dared to be different, and dared to insist on their difference."

Is it 1938 again?

My Church Teaches What?

By Jan Markell

The month of October brought a staggering wake-up call to many church members. Some had been in attendance for months and some for years. A few had been active for a decade. They loved their church family and felt the pulpit was sound.

Their church has salvation right, and baptism. The music is acceptable and the youth program is outstanding. It is missions-minded. And, after all, no church is perfect.

The Rude Awakening

But in October, many church attendees were going to get a rude awakening because too many *hadn't done a deep dive on all of the church's theology.*

Many had been grieved over the silence in the pulpit as it concerned Bible prophecy and current events. They accepted the flaw and got daily doses of those items online. After all, the church didn't get involved in the cultural issues either. *It is not unusual for a church to not take a stand.*

Then came October 7 in Israel. What would the church response be that next day – October 8? What happened on October 7 was a game-changer! Surely, this would be front-and-center at their church!

It is true—the headlines, photos, and videos coming out of the latest Mideast conflict are *not seeker-sensitive*. They won't make church attendees feel good. Talking about the sensitive situation *won't fit into any church-growth strategy*. It won't encourage anyone to become

purpose-driven. It could even create divisiveness.

So, I should not have been so thrown when I began to get e-mails from across the country stating variations of the following:

Jan, I was very dismayed that the church we attended did not even make mention of what was going on in Israel on Sunday, October 8. Nor did the topic arise on Wednesday night—though there were several mentions of the Houston Astros game...

No One Can Say We Didn't Know
 Since then, there has been wall-to-wall coverage on all media outlets, day and night, for over three months. *Can anybody claim they didn't know? We have now all watched the sickening demonstrations begging the world to "gas the Jews."* Some are saying World War III is at hand. *We have evil at a new level on*

continued on page 6

My Church Teaches What?

continued from page 5

display. The likelihood of terror cells embedded in America, Canada, Europe, and other places is a guarantee.

The Silence of the Shepherds Is Rooted in Theology

And yet, I was hearing many times a day about *the silence of the shepherds!* Could this silence be rooted in theology? A resounding “yes”!

I encourage all readers to do a study on modern theology. People hear terms that need to be explored: Replacement Theology, Covenant Theology, Amillennial Theology, Dominion Theology, and more. You just might not be in agreement with what all of these theologies entail! I cannot use limited space in a print journal to explore them all, but most of these teach that *the Church is the new Israel; that God has cast away His people Israel due to unbelief.*

Prayer: The Only Effective Weapon

Human suffering has been on display since October 7, 2023. Media outlets that have a shred of integrity, revealed the darkened hearts and deeds of Islamic thugs. There is only one adequate weapon in our arsenal: *prayer, and better yet, corporate prayer.*

Prayer from the pulpit. Prayer from a radio, TV, or Internet website. Prayer for innocent hostages, although now it is likely too late. Prayer for any innocent caught in a battle crossfire.

Prayer for soldiers trying to liberate and set captives free.

And pastors, your people want you to lead in this effort! People are now tired of the silence of the shepherds. Our world is too volatile, too angry, and too evil, to stand on the sidelines and be silent! You must take a stand and set theology aside.

Yes, your theology says you should minimize Israel, but then you marginalize the suffering, which Jesus would never do!

When Should I Leave a Church?

All of my radio guests have stated since October 7 that if a church will not relent on this, *then it is time to leave.* Period. God cannot bless this church or congregation. It is weighed in the balances and found wanting (Dan. 5:7). It is time to move on to much greener—and more spiritually fruitful—pastures.

Perhaps this is the *next big church divider.* Churches will either be *for Israel, or against her.* Which side will you be on? Israel is to become *the world’s burdensome stone* (Zech. 12:3), but God will destroy ALL who come against Jerusalem (Zech.12:9). *You want to be on God’s side!*

In the new year of 2024, I pray that all in leadership will at least take a stand against evil, *for much of the world is calling evil good* (Isaiah 5:20). And evil is spreading like a cancer throughout the world as we trend towards the Tribulation.

OLIVETREEMINISTRIES

WORTH QUOTING

Dr. Mark Hitchcock, Author and Pastor

The Bible says there will be an increase in false prophets—frauds and fakes who claim to have knowledge of the future. We see this today, in the surge in sorcery, magic arts, psychics, and witchcraft.

In the New Testament, we find the word “pharmakeia,” which is where we get our English word for pharmacy. The word “pharmakeia” refers to sorcery, magic, or spells, and it’s often translated that way. That word was also used in ancient Greek for poisoning people with the use of potions, charms, drugs, or mood-altering substances.

Pharmakeia is used twice in the Book of Revelation. It’s used in Revelation 9:21 during the trumpet judgments: *“Neither repented they of their murders, nor of their sorceries [pharmakeia], nor of their fornication, nor of their thefts.”*

Now, to me, that’s interesting. What is our world today dominated by? The murder rate and thefts are rising dramatically in major cities across America. We see all kinds of increases in sexual immorality. It’s interesting that listed among these sins is pharmakeia.

The Tribulation religious and economic system ruled by the Antichrist, will be dominated by

spiritism, sorcery, and magic arts. The Antichrist will be the greatest sorcerer of all time. He will receive his guidance directly from Satan and perform all kinds of signs, wonders, and miracles. It will be a mass campaign of demonic deception.

Amir Tsarfati, Israeli Bible Teacher, Author

With the return of some of our hostages came stories of their captivity. When they first began to trickle in, many observers were surprised at how low-key they were. No great shows of emotion, good or bad. Now it has come out that Hamas gave the hostages Clonazepam, a sedative, so that they would appear peaceful as they returned. Once the drugs wore off, the reality of Hamas’s imprisonment of these innocents became evident.

Many captives were executed, denied medical treatment, and starved. Women were kept in cages. Children were separated from their families, sleep-deprived, light deprived, and forced to watch the October 7 atrocities.

Elderly women were required to sleep on plastic chairs. Children were branded with exhaust pipes, forced to whisper, and not allowed to cry. The perpetrators beat the hostages, kept them in solitary confinement, denied them basic

hygiene, and confined them to cramped spaces. They denied them information about their families and forced them to participate in degrading propaganda videos. Their hopelessness was made greater by the fact that they didn't even receive a single visit from the Red Cross.

Professor Itay Pesach, head of the children's hospital in Tel Aviv, said, "When the children will start telling their stories, none of us will be able to sleep at night."

The BBC, in a radical turnaround, changed their tune when they finally viewed the proof of sexual violence with a critical eye. Others are beginning to realize that the Palestinian people are no different than Hamas. *A recent poll showed that 75% of Palestinians support what Hamas did during the October 7 massacre. Only 13% opposed it.*

Tim Moore, Lamb & Lion Ministries

Perhaps the greatest example of the inconceivability of Israel's re-establishment is the counsel offered by America's Secretary of State in 1948, George C. Marshall. General Marshall, whose strategic and geopolitical acumen was proven in World War II, was convinced that the overwhelming superiority of the combined Arab armies would mean a death sentence for the Jews.

Marshall warned Harry Truman that if the President dared support Israeli independence, he would resign his position and then campaign and vote against him in the next election!

Thankfully, Truman had paid attention in Sunday School, and knew that while man sees only impossibilities, "with God all things are possible" (Matthew 19:26). And, when it comes to the prophecies of Scripture, a promise of God is an ironclad surety.

Impossibly long odds, or prophecy fulfilled? Many Christians were too ignorant of Bible prophecy to know the difference.

Barry Stagner, Pastor and Author

Who was this Child who would be born to Mary? His name was Jesus, and He will be the one King of the Jews yet to rule from Jerusalem! How does He qualify for this, aside from being God's only begotten Son? David himself was his ancestral father. To what national people group did David belong? The nation of Israel. Where will His throne be? In Jerusalem!

Through all of this we need to understand that if, as some claim, God has cast Israel off forever because of their disobedience, then Jesus would have forfeited the right to sit on David's throne, and

OLIVETREEMINISTRIES

biblical prophecy would be a lie. Saints, *God's Word doesn't lie, and it doesn't change.* There can be no other culmination of the history of mankind than what is foretold will happen as we approach the last of the last days.

Jonathan Brentner, Author

Those who don't understand or believe God's promises to Israel might think that the expanding conflict in the Middle East is just like any other war, such as the one in Ukraine. "Yes, the savagery of the Iran proxy Hamas was grievous and heart-wrenching," someone might say, "but the resulting war has no ramifications for believers today."

Such sentiment couldn't be further from the truth. This war is not like the others. *The prophetic implications of what's now happening to Israel are staggering.* We also know that this is just the beginning of Israel's struggle for survival, which will likely last until the start of the seven-year Tribulation and then flare up again

at its midpoint as Satan renews his hatred for the Jewish people with the deadly rage of the Antichrist.

Satan inspired the barbaric attacks of October 7, 2023, as a part of his agenda to prevent Jesus from returning to a repentant Israel at His Second Coming. Jesus said the Jewish community in Jerusalem would someday welcome Him with the words, "*Blessed is he who comes in the name of the Lord*" (Matthew 23:39).

The devil will fail, of course, in his effort to stop the fulfillment of our Lord's words, but that won't stop him from attempting to stop his Millennial reign over a fully restored Israel.

This isn't just another war. It not only has tremendous prophetic significance, but also warns us of what might happen in many other places, including the U.S. IDF Spokesperson Daniel Hagari recently stated that "*Hamas is at war against humanity, not just Israel.*"

Bible Prophecy in the News

Dear Diaspora Jews: It's Over

Yes, *the Jews must return to Israel*. No, not every single one of them, but many of them! The Bible tells us in Matthew 24 that the Jews in Israel will be fooled by the Antichrist who makes a covenant with them (Daniel 9:27). He pretends to be their best friend, then turns on them half way through the Tribulation. They flee to the wilderness (Petra) and are protected, and then they “see Him whom they pierced” (Zech. 12:10) and turn to the Messiah Yeshua.

But how and why would they *give up the good life in the West, a life of prosperity and comfort*, and go back to the land of Israel?

Then came this headline in *The Times of Israel* during the Israel-Hamas war: *Dear Diaspora Jews: It's Over.*

The author, Josh Feldman, writes, “As an Australian Jew, I’ve always proudly contended that I live in the safest Jewish community in the world. We have no lists of synagogues shot up by white supremacists, nor politicians whose campaign to become prime minister prompted nearly half the country’s Jews to consider leaving.

“And while Australian Jewry — which is believed to have the world’s largest Holocaust survivor population

per capita outside of Israel — is well aware of the dangers of anti-Semitism, much of the community has long shared this sentiment. Anti-Semitism has always been present, but it was rarely, if ever, a cause for widespread anxiety.

“If the outbreak of Jew-hatred after the October 7 massacre didn’t change that, then November 10 did. As Melbourne’s Jews welcomed Shabbat, a mob of Arab and far-left thugs traveled from the other side of the city to protest in the heart of Melbourne’s Jewish community, forcing a synagogue only meters from the protest to evacuate mid-prayer.”

The writer concludes, *“For much of Diaspora Jewry, this is an immensely disorientating time, and understandably so. But as I told a friend who said the other day that no matter where we live, Jews will always be outnumbered by those who hate us, there is, in fact, one place we can go. It’s home to some seven million Jews, is run by Jews, for Jews.*

“If ever there was a time to move to Israel, it’s now.”

The author sums up saying, *“In a post-Holocaust West, however, many Jews believed that they, too,*

Bible Prophecy in the News

Dear Diaspora Jews: It's Over

had found countries that could guarantee not just their safety, but their sense of security. As long as that remained true, there was little reason to leave — hence, why approximately half of world Jewry lives outside of Israel.

"The last few weeks and months

have shattered that illusion for many Jews."

God is calling the Jews home to Israel to complete His end-time plan, and to wind down history as we know it. The Time of Jacob's Trouble is on the horizon.

Olive Tree Ministries recognizes that we have moved into a time when all are being tested and tried like never before. All of us have challenges and heartaches that can only be conquered through earnest prayer. YouTube Counterfeits

All of social media can become a den of thieves, with people impersonating others and even asking for money on behalf of legitimate ministries. The problem is most severe on YouTube. *But, we go to extensive work to provide a video version of our radio program so that you may see and retain much more content.*

Well over 500 of our video radio programs have been stolen and are

impersonating Olive Tree. How can you tell which channel is legitimate? By the number of subscribers. We have over 203,000 YouTube subscribers. The thieves, and there are more than one, have just a few hundred.

You can also view the video version on our website under "Radio", on Rumble, on His Channel Christian TV, on our other social media platforms, and on Lightsource.

Where Will You Spend Eternity?

Olive Tree Ministries reports on news and information that is troubling and disconcerting. We often tell the inconvenient truth, and we always define issues in light of the Bible. Our times are defined by the lateness of the hour, biblically speaking. *We want to ensure that our followers know where they will be spending eternity, because eternity in the wrong place is unthinkable.* Heaven or hell are the options.

The Bible says all have sinned and fallen short of the glory of God (Romans 3:23). The Bible also says that the wages of sin is death, but

the gift of God is eternal life in Christ Jesus our Lord (Romans 6:23).

If you don't know Jesus Christ as your Lord and Savior, the Bible says that today is the day of salvation (Acts 28). Turn from your sinful ways. "All who call on the Name of the Lord Jesus Christ will be saved (Romans 10:13).

If you have made a decision for Christ today, feel free to call our office. If you would like to pray a prayer of salvation with an Olive Tree staff person, you may also call 763-559-4444 CST.
