Shalom in the Name of the Lord!

Over the years, Olive Tree Ministries has attempted to feature biblically sound, cutting-edge products to help you understand the times and become watchmen on the wall. We have tried to vet books, DVDs, and movies, that you can trust and invest in.

What you may not know is that we have had an online store with dozens of these kinds of items for over 20 years. And please understand that our passion is not to make money, but to provide you and your loved ones with solid material to help you grow spiritually.

Becoming a watchman doesn't happen overnight. Gradually, believers learn to discern and over time, they mature in the Lord thanks to Bible reading and consuming outstanding products that are designed to help you grow in the faith.

In the pages that follow, find dozens of such items that we put a stamp of approval on! We feature items from Amir Tsarfati, Barry Stagner, Mark Hitchcock, Ed Hindson, Brent Miller, Jr, Billy Crone, Jack Hibbs, Erwin Lutzer, Terry James, Todd Hampson, Ron Rhodes, and so many more! Find some of my books and DVDs as well.

I encourage you to peruse these pages and see if there is a product that is just for you! Order by mail or give us a call M – F CST.

Weekly Program

The world is changing at lightning speed and as a result, people are anxious about things to come. Whether they are watching the *World Economic Forum*, the rise of anti-Semitism, the increase in lawlessness, the rush to artificial intelligence, the push

for globalism, and so much more, clearly the Antichrist kingdom is forming.

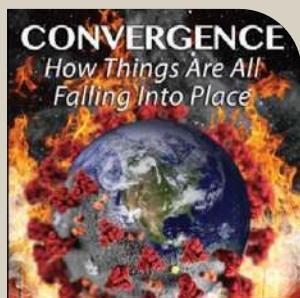

To stay up-to-date, tune in to our weekly broadcast, *"Understanding the Times,"* now in its 25th year. Our radio hosts are Pastor Josh Schwartz and Ken Mikle.

Things are not falling apart—they are falling into place.

You can find us on 1,000 radio stations, on our social media, on our YouTube and Rumble channels, on HisChannel, and our website.
